

Chess: satan vs God

“⁴ For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds...”
(2Cor 10:4; see also Ephesians 6)

To figure out where you are, read 1st John, James, 1st and 2nd Peter, as well as Matthew, Mark, Luke and John, just for starters.

satan has always ruled empires, some leaders knew more of satan's involvement than others. satan plays chess, but God's servants don't match satan. Let's look at satan's team, then at God's to see the major differences. If you have any questions, as always, just ask. My team and I will be glad to help as we can, though we are also regularly investigating. Also remember to ask God to teach you in all things, even this deep subject.

>> Pawns: anyone that can be used to further satan's agendas or be confused/deceived to fight God's plans and workings. **Moves:** Can only move straight ahead one or two spaces, unless attacking, then it can move 1 space at an angle. Can be used as a shield or as a low-level attack agent. **Examples:** most of the world's population is in this level, satan's side and God's side, because sadly too many followers of Christ chase sins and sin-filled entertainment and the glittery trinkets of this world, making themselves almost completely blind, until they make a covenant with God and start studying their Bibles. Even leaders can be used as pawns, when the person who is manipulating them is not telling them everything that is going on. **Titles?** Sometimes yes, sometimes no – peasants never have titles, and leaders with titles can be used to obey commands that they don't fully comprehend, which makes them pawns/slaves of someone else's evil deeds and schemes and satanic psychology and manipulation.

>> King: the most prominent and bold leaders, typically known royalty (by any name), who serves satan, especially the ones the world's "media" promotes, because they are Rome's media promoting Rome's leaders. This role always has to keep an heir of importance and power, though they are not really the ones calling the shots – they are, most often, the figure-head roles. **Moves:** can only move 1 step in any direction. **Examples:** depending on the country, their figure-head leader is called by many a different title, but many serve Rome, while keeping that level of info extremely secretive. **Titles** we do know – King/Queen (monarchy), Emperor/Czar (empire/dictator), Caliphs or Sultans (Rome's leaders in the Arab world), Premier/Prime Minister (sometimes top leader, sometimes lower leader for a variety of types of government), President (democracy or republic), etc.

>> Queen: the more subtle and seductive leaders, where a bold guy cannot get Rome's agenda done, they will choose a more crafty and seemingly "nice" agent, who will either lead outright, or work behind the scenes to accomplish Rome's agenda without the top-leader's notice and approval. **Moves:** can move as many squares as necessary in any direction, as long as the path is not blocked by another piece. Can move quickly and swiftly, and often is a key piece in conquering a king. **Titles:** in history, this has often been the wives of official royalty, as well as entertainment leaders, sometimes queens (as sole ruler), sometimes "philanthropists", sometimes just flat-out seductresses who are high-level secret agents moonlighting as prostitutes (see MKUltra to know more), tycoon (industrialist, international business/trade leader, a shadowy satanic agent), Pontiff or "pope" as well as the "Black pope" (supreme satanic dictator(s) of the Catholic Cult – a worldwide empire, a man of higher satanic authority than many realize), etc. You will find a larger gathering of this level of satanic agent at the devil's one-world-govt gatherings, including Bilderberg, Bohemian Grove, G20, G7, Trilateral Commission, Club of Rome, and less so but still somewhat at CFR meetings, etc.

>> Rooks: portable castles and fortresses, trained in the "arts" of defense and war including psychology, though they seem to be only trained with one purpose – protect Rome's kings and queens and their earthly assets. **Moves:** on the chessboard, they can only move straight-ahead, kind of like a steam-roller, and can move as many spaces as necessary, but only straight-ahead as long as the path is not blocked by another piece. **Examples:** Probably usually takes the form of less-informed generals or less-informed trade experts. **Titles** would be high-level bankers, especially for the royalty and VIPs, top CEOs, etc, top generals, etc. You will sometimes find some of this level of satanic agent at the devil's one-world-govt gatherings, including Bilderberg, Bohemian Grove, G20, G7, Trilateral Commission, Club of Rome, and less so but still somewhat at CFR meetings, etc.

>> Knights: a very versatile agent, who can bypass many/most obstacles and corner in unexpected ways. These are more highly skilled agents, and they are the ones who are the real movers during talk of "war", as well as maneuverings for a one-world government, as well as the "intelligentsia" and satanic "adviser" roles. This role is almost always someone involved in at least 2 secret societies. These agents of satan are the ones spinning out the lies that get passed around the peasants, and cover-up the crimes and sins of the royalty/leaders, as well as try to stir hate to start wars, or use cover military weapons or operations to start wars or conquer countries, or assassinate leaders who fight Rome or leaders who speak out exposing Rome's crimes. **Moves:** always right-angles, cannot be stopped, but can be captured. **Titles:** there are so many titles knights can take, but every official "knight" is a part of this group, including both the Vatican's masonry knights (Templar, Malta, etc), and the Vatican's knights (Columbus, St. John, Rhodes "scholars", Knights of the "British Empire", etc), as well as the Vatican's secret knights (Jesuits, DeMolay). You will find a larger gathering of this level of satanic agent at the devil's one-world-govt gatherings, including Bilderberg, Bohemian Grove, G20, G7, Trilateral Commission, Club of Rome, "Climate Change Accords", etc, and less so but still somewhat at CFR meetings, etc. This category also meets in the various types of "lodges" from Elks, Moose and Eagle, to the Rotary, to the Masonry lodges, to the Chamber of Commerce, to the Veteran clubs like VFW and Legion.

>> Bishops: these are the leaders or "experts" or "masters" or "enlightened ones" who lead/control the religion of the country and move the people toward Rome's goals. Remember, Rome's agenda for religion is to make the Bible, the Jews, and the Christians appear as "dangerous" and the "enemy", and to establish the false religions and idolatry of the country strongly, a tactic Rome learned from the Babylonian empire. But, ultimately, according to God in His Word the Bible, Rome is going to be the leader of the world religions that is so-well described in Revelation 13. This is the "church age" of Revelation 2 and 3, but satan still tries to get his agenda that he will sort of attain during the literal 7-year Tribulation. **Moves:** always at diagonal angles, for it is true that satan's "bishops" of all of satan's false religions around the world are never straight-forward and can never be trusted, they are never telling the full and honest truth, they are just saying things to you (or your friends, or those you care about) to make you (or they/them) believe some form of a lie of satan. **Titles:** guru, yogi, monk, cardinal,

archbishop, bishop, “father”, shaman, witch, wizard, warlock, satanic priest/priestess, psychic, medicine woman/man, spirit guide, worshipful master (freemasonry), Kabbalah “rabbi”, “god” or “goddess”, “demigod”, “super-hero”, emperor, vizier, czar, clergy, imam, ascended master, avatar, FEMA pastor, (false) apostle, (false) prophet, “prophetic healer”, “world-evangelist”, crusader, “Bible scholar”, “Bible Answer Man”, “evangelical pope(s)” (lower-level, because he’s serving the “pope” in Rome), etc.

God's team

God doesn't have to play satan's games, and He never does. However, God does around and past satan's schemes to raise up and train up those who love Him and hate what is evil, to then use them to oppose satan's schemes, expose satan's lies, rescue the vulnerable and turn them from sin to Jesus so they can find salvation through the covenant of the cross.

So, who are God's leaders? He explains in a few passages, so let's look at them.

“¹⁰ He who descended is also the One who ascended far above all the heavens, that He might fill all things. ¹¹ And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, ¹² for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, ¹³ till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ; ¹⁴ that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting, ¹⁵ but, speaking the truth in love, may grow up in all things into Him who is the head--Christ-- ¹⁶ from whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love.” (Ephesians 4:10-16)

Note those 4 main categories: Apostles, prophets, evangelists, pastors/teachers.

At the top of God's leadership structure is God, who is 100% pure and honest and holy, and will never change. If God could/did become evil, the universe would literally fall apart and disintegrate and cease to exist... But God has promised that He will never change, and that is something we can 100% rely on.

So, God is plural (Old Testament and New Testament), and He is 3 persons in one – though the titles that tricksters use can get very confusing, if you just read the Word of God, you find the truth. God the Father is on the Throne and we will probably never see His face, because of His purity and authority. Jesus is the second part/person of God and He walked on the earth before He added a human body to Himself and was King of Salem/Melchizedek and talked with Abraham, Moses and Aaron and Miriam, Joshua, David, and many more. Then Jesus/Yeshua added a human body (John 1:14) and **“dwelt/tabernacled among us”** (Sukkot) and then died as the Passover Lamb, **“the Lamb of God who comes to take away the sins of the world”** (John 1:29, etc). And the Holy Spirit is the third part/being of God, and He taught, empowered and gave wisdom to faithful God-fearing leaders in the Old Testament and then after Jesus ascended to the right hand of the Father, the Holy Spirit came on Pentecost so that all who have made a genuine covenant with Jesus can be **“filled with the Holy Spirit”** (Ephesians 5:18).

> So, God the Father, God the Son/Jesus/Yeshua, and God the Holy Spirit are the head and in them all things consist and have their being (Genesis 1, Colossians 1).

> Next are the **apostles**. The apostles is a category that only seems to have existed when Jesus walked on earth, and there were the chosen 12 and then lesser apostles. To be an apostle, you had have seen and been taught by Jesus Himself, that is why every so-called “apostle” today are deep occultic liars and cannot be trusted, it doesn't matter if they call themselves “pope” or whatever, they are demonic and traitors against God and humans. God's apostles were most of those who wrote the New Testament, with the exception that of the prophet Luke and the prophet Silas. The office of apostle is a higher rank

than the rest, and Scripture makes it clear that Jesus is chief apostle (Hebrew 3:1). There are no apostles alive on planet earth right now, only God's Word thru them. That's it.

Jesus Himself appointed apostles. The apostles could then train, appoint and anoint/send out prophets, evangelists, pastors and teachers (1 and 2 Timothy, Titus)

>>> Examples in the New Testament, ending with the death of John somewhere between AD 97 to 100.

(Matthew 10, Mark 3, Luke 6, not listed in John)

- + Simon Peter (Cephas)
- + John
- + James
- + Andrew
- + Matthew
- + James
- + Simon
- + Philip
- + Thomas
- + Thaddaeus (Luke seems to list his name as Judas, son of James)
- + Bartholomew
- + Matthias (replacing Judas Iscariot who rejected and betrayed Jesus)
- + Barnabas (Acts 14)
- + Paul (Saul in Hebrew), the last apostle to be picked and trained by Jesus Himself (1 Corinthians 15)
- + Others? I have not found any other names in Scripture associated with that title,

**---

> Next are the **prophets**. I know you have heard of some or maybe many a man or lady call themselves a "prophet" or "prophetess", and some pretend to even see the future or the past. But even though we have many false apostles, false prophets and antichrists, there are true prophets and prophetesses of God, but not all let God train them to be high-quality ones. Most who have some level of prophetic training sadly stop at being simple-minded and worldly and only spiritually rightly judge little things, not big things. But God's main leaders/ambassadors on planet earth are the prophets and prophetesses. The training for a prophet is quite simple and it starts with and grows from the man or woman learning to rightly judge evil and pray against it, and to see righteousness and holiness and encourage and pray for it. There are different levels of this office, based on the level of purity of their covenant with God. In most cases, the actual prophets never claim the title, but you notice God working through them against evil, and their direct exposing of various evils and crimes of satan. The bolder they are with a stronger protection from God, the more you can tell that they are walking pure and have a larger measure of strength from God and are one of the stronger prophets or prophetesses in the area.

Keep in mind that the category of prophet has existed since the rebellion of Adam and Eve, and continues today. Apostles, prophets and priests are the only ones who wrote the Books of the Bible we have today, that is one key way to tell a counterfeit or "lost book" as a fraud. A prophet in the Old and New Testament had/have 2 main roles – prophecies: meaning foretelling the future with a call to repentance, wisdom that only God could give, and prophesying: teaching the Law of God and the Word of God and calling people to turn from sin to Jesus. If a so-called prophet pretends to speak for God, but refuses to deal with open and blatant sin in their lives or gives false prophecies of exact dates and events and they do not come to pass – that person is demonic, you can most likely never ever trust them again, ever. One key pattern God did with the prophets throughout Scripture was to use them to clear the foundation of salvation by faith in the Jewish Messiah Jesus/Yeshua, to clear that of idols, sins, and to remind/rebuild the understanding of God's Holy character and calls for repentance, not superficial, but a genuine change of the heart that only comes by making a covenant with God (Old

Testament and New Testament). Prophets and Prophetesses are also known for getting stronger replies to their prayers, because of the purity of their walk.

Prophets could/can train, appoint and anoint/send out evangelists, pastors, teachers, and other servants of the Lord in various work.

Examples in the Old Testament:

- + Abel
- + Abraham
- + Moses and Aaron and Miriam
- + Joshua
- + Gideon
- + Deborah
- + Samuel
- + David
- + Nathan
- + Elijah
- + Elisha
- + Isaiah
- + Jeremiah
- + Ezekiel
- + Daniel
- + and so many more

And then the New Testament:

- + Simeon
- + Anna
- + John the Baptizer
- + Luke, proven by faithful companion of Saul/Paul till he died
- + Silas, a faithful companion of both Peter and Paul
- + Stephen
- + Agabus
- + Aquilla and Priscilla
- + Phoebe
- + and so many more

**---

> The next category is **evangelist**. Every person who has a genuine relationship with Jesus Christ needs to be sharing the truth of God's Word with those around them, from exposing sin and explaining how it is hurting the person and call them to turn from it, to explaining why Jesus came and how each person can have a genuine relationship with Him. That is the work of an evangelist.

Evangelists can train and appoint and anoint/send out pastors, teachers, and other servants of the Lord in various work.

Examples of evangelists:

- + Philip the evangelist, and his 4 virgin daughters who preached/taught
- + Timothy, I believe he had the ranking of a prophet by the end of his life, but we don't have specific record of that. We do have the apostle Paul commanding Timothy to "do the work of an evangelist" in 2Timothy 4:5.
