Hello fellow prayer partners, citizen journalists and friends, May 3, 2020

As I noted in the banner, this is an INCPU report, and a #RedAlert. If you haven't seen our previous report on the Vatican's threats to destroy and take over America, this one might not make as much sense to you. But, after you read their quotes, you'll see why we are alarmed. You can find that research paper here:

<https://www.RestoreMBI.com/written-proof.htm>

We are delighted to see so many people alert and so many citizens protesting evil and/or calling out, and even becoming citizen journalists. That is very heartening since 15 years ago when we saw so very few honest followers of Christ who stood up to evil at all. So, we thank God for that. We are also so glad to see so many of you building citizen community and communication groups and sharing what you can find and figure out – that's wonderful too!

This attack, before the time for the literal Tribulation, is still underway. #Jesuit #Trump seems to be planning a part 2 this summer with both a created-famine and #JADEHELM (military drill happening since the 1980s, every summer from July 15 to September 15th. So there is a lot going on. Some of you already know that there is an organized famine going on – the NWO team used the CV lies to shut down small businesses, manufacturers, and farms across the US. We are headed for a created-crisis. And on top of that, Jesuit Trump, on Friday March 13, 2020, declared a state of "national emergency" across the US, and by his own admission has been working closely with each governor – meaning he's guilty of their crimes too – he gave the order. Along with that declaration of "national emergency", he set up FEMA (an illegal international NAFTA/NAU organization) to be in charge of the US, to bypass the US Constitution. He then set himself on top of FEMA. That's a coup d'etat move. That's just the short notes. So, as you can see, we have a lot more work to do. Remember, as always #ItTakesATeam. If you see something, say something – not to them, but to your friends. The only way to outdo their ultra-rich community of mafia thugs is to keep working to form God-fearing communities to oppose them, and to keep working diligently in the righteous things God gives our hands to do.

RedAlert! FEMA Regions Lockdown (Jesuit end-game)

INCPU on Twitter - https://twitter.com/a_servant

Now to the topic at hand. As you can see, there's some serious concerns about FEMA. Research the intentional ("accidental") "mishaps" that the NWO did to the refugees during the #WeatherWar made #Hurricane #Katrina. So many different evil things – and many of them haven't been prosecuted yet.

But as I mentioned above #FEMA isn't a part of the US government – it's a part of the NWO international "govt". It works with wicked and vile predator type international corporations like #UnitedNations and #InterPol and #IMF. So, setting up FEMA to be in charge of the US for an over-hyped (and dare we say "rigged"?) plan-demic is criminal and treasonous by itself. But, there's one more detail about FEMA that I need to draw your attention to.

Some of you know that we are among the few who call out Trump for his Jesuit background and working secretly with the Jesuit "pope" in Rome. That matters. It's not insignificant. And here's more proof of that – the 10 capitol city-regions of the 10 US FEMA zones or districts, are controlled b Jesuits. Yes, you read that right. Now, let me explain that not all of those in the NWO international mafia team are Jesuits, and neither are all of the Roman Catholic cult "priests" Jesuits – but all Jesuits serve Rome, they are not Jewish – they are Catholic pretending to be Jewish, just like the Freemason cultists pretend to be Jewish – no, they Kabbalah/Catholic mystics. If you look closer than the fakestream press, you see that very easily and very clearly.

> Trump = Jesuit - <https://www.incpu.org/Updated-Trump-Jesuit-agent.htm>

But, let me now prove to you that the 10 FEMA regions are run by Jesuits. We had to pull several different research pieces to figure this out – and they don't want you to realize this whole plan is to try to murder or silence all anti-Rome people... but God. So, keep exposing evil. But also realize one of the teams you are fighting against is the whole variety of Rome's agents – including the Jesuits.

>> **The 10 districts are broken up like this.**

*** **Section 1/Region 1** includes – Maine (ME), Vermont (VT), New Hampshire (NH),

-- **Capitol of this region is:** Boston, MS

RedAlert! FEMA Regions Lockdown (Jesuit end-game)

*** **Section 5/Region 5** includes – Minnesota (MN), Wisconsin (WI), Michigan (MI), Illinois (IL), Indiana (IN), and Ohio (OH)

-- **Capitol of this region is:** Chicago, IL

*** **Section 6/Regions 6** includes – New Mexico, Texas, Oklahoma, Arkansas, and Louisiana

-- **Capitol of this region is:** Denton, TX (short drive away from both Fort Worth and Dallas)

*** **Section 7/Region 7** includes – Nebraska (NE), Iowa (IA), Kansas (KS), and Missouri (MO)

-- **Capitol of this region is:** Kansas City, MO/KS

-- **Capitol of this region is:** Oakland, CA (a suburb of San Francisco)

*** Section 10/Region 10 includes – Alaska, Washington, Oregon, and Idaho

-- **Capitol of this section is:** Seattle, WA

_

Now, here is the proof that Jesuits are influencing and directly involved in leading the 10 FEMA regions. The why they are doing this is apparently to stop we-the-people from arresting and prosecuting predator “priests”.

What you are about to see below are the Jesuit colleges and retreat centers around all 10 of the FEMA region capitols. Research quoted from our college reports - <https://www.RestoreMBI.com/RC-list-state.htm>
