

www.incpu.org/Jer-10-snapshot.pdf

- * Cut along dark, solid lines,
- * Then fold along dotted lines.
- * Tape ends together.
- * Cut a 1"x1" square, roll it or fold it from one side.
- * Tie a string to that piece of paper and pull through the string through the top of the ornament.
- * Attach to tree.

*** Or omit the string and do not cut the top circle,
if used as a table decoration
:) ~ (:
