

To our fellow believers in Jesus, our family is encouraged by your faith and hope in the gospel. We are beginning to ask God for unique ways to share the Word of God as Jesus' return grows nearer. We are seeing dozens of unique opportunities for growing in Christ and loving our neighbors. The Columbine Massacre was near the start of a long string of mass-shootings, strange deaths, and staged/faked acts of terror in America. These are very public threats against the Christians in the communities, which are reappearing right now in the form of Insane Clown threats (from Eric Harris' Manifesto and John Wayne Gacy), dozens of rumors/movies threatening civil war/apocalypse in America, and two movies released this year about Columbine – I'm Not Ashamed and Natural Selection. I'm Not Ashamed was originally set for release 4-20-16 (17 year anniversary), moved to the weekend of 9-11-16, then to 10-21-16. There are constant changes taking place in America in the last two decades that affect freedoms and a Christian's faith and practice. I'm sure you agree - we need the gospel to be understood and spoken in our cities.

This is an excerpt of Darrell Scott from his book, speaking about two of Rachel's drawings – one from 1998, and one drawn by Rachel on Tuesday 4-20-99, the day of the Columbine attack –

*In addition to that, she had drawn a cross with the words: **"Greater love hath no man than this, that a man would lay down his life for his friends"**! ... We had two drawings from a year apart that form a total picture! ...a Columbine flower [State flower], out of which is growing a Rose [U.S. National flower] that is being watered by drops of blood that have as their source thirteen clear tear-drops [thirteen that died] from the eyes of a young girl named Rachel... Two thousand years ago a teacher (**Jesus Christ**) and twelve students (**disciples**) brought permanent change to planet earth. At the end of this past millennium, another teacher and twelve students gripped the attention of the human race. That first teacher was called **"the Son of David."** That last teacher's name was David. That first Teacher was called the **"Lamb of God"**... Rachel not only means "lamb," but she chose to perform a mime... called "Watch the Lamb." That mime would be performed on CNN to the whole world... a young girl came up to me just sobbing. She said, "...I had felt impressed to have you read some verses from the Bible, and here they are."*

*...Jeremiah 31:15-17: **Thus says the Lord, "A voice is heard in Ramah, lamentation and bitter weeping. Rachel is weeping for her children; she refuses to be comforted for her children because they are no more."** Thus says the Lord, **"Restrain your voice from weeping, and your eyes from tears; for your work shall be rewarded," declares the Lord. "And they shall return from the land of the enemy. And there is hope for your future," declares the Lord, "And your children shall return to their own territory."** I knew from that moment that Rachel's death was not in vain.* – Excerpt from Rachel's Tears 10th Anniversary Edition: The Spiritual Journey of Columbine Martyr Rachel Scott

Why did Darrell compare Rachel Joy's death with Jesus' death? He is explaining that this is a satanic ritual death. Frank Amedia – who is Donald Trump's liaison for Christian policy and also former band-mate with Alice Cooper (long-time Satanist) – told Darrell Scott about a vision Amedia had of Rachel's drawing before Darrell had even gotten the drawing from Rachel's backpack which was still at the crime scene. In that phone call, Amedia also offered to fund whatever mission Darrell thought God was leading him to do which led to Rachel's Challenge which reaches thousands of students with a humanistic-based morality, not a Christ-based righteousness in Jesus' gospel. Amedia also arranges meetings with another Pastor Darrell C. Scott, a lying "New Apostolic Reformation" pastor who covers for and promotes Trump constantly in this election.

This story from Columbine has captured national attention and support from people like Bill and Hillary Clinton, Marilyn Manson, Elton John, Oprah Winfrey, James Robison, Maria Shriver, Larry King, Christopher Reeve, Chuck Norris, Michael W. Smith, Flyleaf, David Bowie, Celine Dion, N'Sync, Shania Twain, Bruce and Claudia Porter, Scholastic Curriculum, Foundation for a Better Life, George W. Bush, Jerry Falwell, Katie Couric, Tom Brokaw, etc. CNN logged its largest viewing audience when it aired Rachel Scott's funeral uninterrupted. Even the Muslim community watched because the word "martyr" was used. Here are some of the most unusual facts about Rachel and her friends at Columbine High School.

Rachel began to predict her death almost two years before April 20, 1999 with statements to friends about not living long enough to get married and about making a difference in the world by her death. In her journals, she was more clear – May '98 "This will be my last year, Lord. I have gotten what I can. Thank you." and "All I want is for someone to walk with me through these halls of tragedy." and "If my friends have to become my enemies for me to be with my best friend Jesus, then that's fine with me" and – April 1999 entry - "I'm dying. Quickly my soul leaves. It isn't suicide; I consider it homicide. The world you have created has led to my death." Other victims had similar intuition. Isaiah Shoels asked his dad Michael what he would do if Isaiah got gunned down; Lauren Townsend wrote her will; Daniel Mauser asked his dad Tom Mauser about loopholes in the Brady Bill federal gun law (that the killers made use of); Cassie made a video of her testimony two days before her death which was shown at her funeral; there are about twenty Trenchcoat Mafia friends of Dylan and Eric who admit to knowing about bombs, death threats, and parts of the plan, and the two shooters predicted their deaths in the same manner.

If you look to movies and media, you discover that other people knew about Columbine ahead of time. For example movies that you and I will not see: Will Smith "Enemy of the State", "Matrix" released March 31 and "Blade" with trenchcoat murderers, and three other shows that very week – Buffy the Vampire Slayer, The Promised Land, and MTV "Warning Signs" about school shootings. FBI director Dwayne Fuselier's son Scott worked with Brooks Brown in 1997 to produce a video that was shown on InsideEdition depicting Columbine being destroyed by laser. Then there are Brooks' band album cover – Columbine being blown up; whoever spread the rumors for two years at Columbine about this senior

prank on Hitler's 110th birthday and the morning announcement on April 20 - "Today is the day you wish you weren't here". And who told 500 news networks to be ready to show up on April 21st?

Dylan and Eric in their anti-bullying video "Hitmen For Hire" and Rachel in her "My Ethics, My Codes of Life" both intended to start what they called a "chain reaction". Rachel knew Dylan Klebold (2nd shooter) and Brooks Brown (Dylan's best friend) since kindergarten. Rachel dated Stephen Partridge for a year and her last prom date Nick Baumgart - both were long-time friends of Brooks Brown. Dylan's friend Devon Adams was close friend of Rachel Scott and was in Rachel's last play "Smoke in the Room" by Andrew Robinson - Rachel's mentor in forensics and drama. Dylan Klebold did the lights for the play and recently ran the sound system for Rachel's mime "The Hammer" by Ray Boltz. Rachel previously performed "Watch the Lamb", acting out the role of Jesus and Simon who carried his cross. Her drama friends had a very unusual nickname for Rachel: "dirty, dirty whore". Rachel Scott smoked for a few years and went to very bad parties and hung out in the smoker's pit at school every day. The pit was also a hang-out for Dylan and Eric and other Trenchcoat Mafia (TCM) members, as well as victims Rohrbough, Kirklin, Graves. There are a dozen other direct relationships between TCM members and Rachel's friends and fellow victims.

Why have I told you all of these facts and relationships? The more I looked over my months of research and thousands of pages of Columbine history, the more I saw that Columbine was a well-planned plot and satanic ritual where the kids were directed by their parents, church leaders, psychologists, and Colorado and U.S. officials to pull a prank that either turned deadly or the whole story is a well-planned theater drama that is being staged as a real massacre. There is a direct involvement and cover-up of the crime by FBI, military, Colorado government, NATO, and other officials who are close relatives of many dozens of the victims and students involved. And why does Sheriff Stone - by his admission - own all Insane Clown Posse's albums so that he recognized Eric Harris' threat "12Skitzo" in his manifesto? Why this attack on the day the Colorado House was talking about gun-control/concealed carry laws (which only control law-abiding citizens)? Why did the psychologist erase Dylan and Eric's criminal past in the diversion program? Why are there four dozen major pieces of police/medical/government reports that are sealed and hidden from the public? Also why were Dylan and Eric, if they survived, planning to crash a plane into New York City, firing/shooting on the way down? I can assure you that these two guys didn't generate that idea. On the negative side, this plan is a new-world order threat against Christians that gets repeated/duplicated. On the positive side, this story is used to fight against

hatred/violence. So which is it? How can it be both a threat of violence and a positive anti-bullying statement? Because people who believe in humanistic morals without God have no true right/wrong and despise Christians who tell them that certain lifestyles and activities are demonic, violent, sinful, and dangerous to society and to the eternal soul of all of the people involved. They view preaching as though it's bullying. They have a system of personal opinions shared by a majority and exerted by peer pressure, lies, dark threats, and pseudo-religious leaders who give the positive angle of their story. For example the thousands of Freemason and Jesuit families who despise the Son of God as the only way to God.

Here are the one-world religion false "Christian" clergy who were accomplices/players helping to present Columbine: Lucia Guzman - executive director of Colorado Council of Churches; Rabbi Fred Greenspahn - chairman of religious studies at University of Denver; Catholic Archbishop Charles Chaput; Reverend Michael Carrier - chairman of the Interfaith Alliance of Colorado; Reverend Franklin Graham - son of 33-degree mason Billy Graham; singers Michael W. Smith and Amy Grant, and the 35-member "Clergy Coalition on Scene" developed before nightfall on April 20. There are even four students who are Mormon who wrote a book together under the direction of their temple.

Please watch attentively to what is happening in the world abroad, and preach and warn sinners boldly and show God's love and mercy daily. The satan worshippers who have worked their way into influential positions want to kill more Christians around the world. If they get Christians to accept their threat, then they believe they can proceed without much protest. Please stand by faith against them. Pray and ask God to use you to reach the lost souls that Jesus Christ came to save, because these days that we live in are full of evil. May we all find joy and peace in hearing the Scriptures played on audio during the day or in personal reading/studying and look for ways to share what we learn with friends, family, and people around us every day. We hope to find more open doors than ever before as people search for answers to

increasingly complex problems in the world. We believe that the only thing that will change people's hearts is the Truth and Love of Jesus - not legislation, not a new Constitution, not more fake church authorities, not gun-control, not different education, not new humanistic philosophies, and certainly not war. So I encourage you to pray for evil deeds to be brought to light and truth, because Jesus' way of faith which leads to repentance and then obedience is the only reconciliation to God and the only true peace. With Christ's love, let us serve God and our neighbors! May God bless you as you seek to serve Him more!
