

Hello brothers and sisters in Christ, and friends,

The year 2017 is almost over and we are now working to get our Star Wars 8 notes up – never got up the notes on Star Wars 7 “The Force Awakens” or “Rogue One” (3.5) Both were their own confusions. But, we wanted to cover this one. If honest followers of Christ would turn off their trash vendors (TVs) for good, then God-fearing Bible students and teachers wouldn’t have to keep calling them away from the pagan sin-filled entertainment of the world... but because many who claim Christ love pagan entertainment, and because satan’s human agents (CFR, CIA, NSA, Vatican, Club of Rome, Trilateral Commission, etc) use it to warp their minds against the Word of God (the Bible) and closer to being ready to receive and accept a one-world government and one-world antichrist... we are compelled to speak on the ones that God leads us to study, scrutinize against God’s Word and call out the blatant often-repeated false gospels and false teachings of these films.

Let us first start off, very briefly noting that everything around you is a sermon. Everything around you is preaching to you – either to enjoy sin more and excuse it better (and wander further from God but claiming you’re close to Him), or to learn how God defines sins and to leave them behind more and more, and learn God’s holy and pure and beautiful ways and to teach others to also turn from sin to Christ, to make an eternal covenant with Him and to grow it.

“¹¹ And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. ¹² The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put on the armor of light. ¹³ Let us walk properly, as in the day, not in revelry and drunkenness, not in lewdness and lust, not in strife and envy. ¹⁴ But put on the Lord Jesus Christ, and make no provision for the flesh, to fulfill its lusts.” (Romans 13:11-14)

“⁹ Let [your] love [for Christ] be without hypocrisy. Abhor what is evil. Cling to what is good.” (Romans 12:9)

“¹ Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members? ² You lust and do not have. You murder and covet and cannot obtain. You fight and war. Yet you do not have because you do not ask. ³ You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. ⁴ Adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God. ⁵ Or do you think that the Scripture says in vain, “The Spirit who dwells in us yearns jealously”? ⁶ But He gives more grace. Therefore He says: “God resists the

proud, But gives grace to the humble." ⁷ Therefore submit to God. Resist the devil and he will flee from you. ⁸ Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded. ⁹ Lament and mourn and weep! Let your laughter be turned to mourning and your joy to gloom. ¹⁰ Humble yourselves in the sight of the Lord, and He will lift you up." (James 4:1-10 (NKJV))

¹² I write to you, little children, Because your sins are forgiven you for His name's sake. ¹³ I write to you, fathers, Because you have known Him who is from the beginning. I write to you, young men, Because you have overcome the wicked one. I write to you, little children, Because you have known the Father. ¹⁴ I have written to you, fathers, Because you have known Him who is from the beginning. I have written to you, young men, Because you are strong, and the word of God abides in you, And you have overcome the wicked one. ¹⁵ Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. ¹⁶ For all that is in the world--the lust of the flesh, the lust of the eyes, and the pride of life--is not of the Father but is of the world. ¹⁷ And the world is passing away, and the lust of it; but he who does the will of God abides forever." (1 John 2:12-17)

¹² Therefore do not let sin reign in your mortal body, that you should obey it in its lusts. ¹³ And do not present your members as instruments of unrighteousness to sin, but present yourselves to God as being alive from the dead, and your members as instruments of righteousness to God. ¹⁴ For sin shall not have dominion over you, for you are not under law but under grace. ¹⁵ What then? Shall we sin because we are not under law but under grace? Certainly not!" (Romans 6:12-15)

Okay, so having seen this film 3 times to call out it's one-world government lies to you, as a Christian, let us look at the theme of this StarWars, and the whole star-wars theme in general. First, let's look at the storyline of Star Wars 8 "The Last Jedi", and then let's look at several key things that offend God and contradict His Word, in this video-sermon to the world.

Quick review of the storyline [Warning: this contains lots of "spoilers". If you don't want to know, don't read it. Now you know :) I/we hope and pray that you will keep reading and won't care if your "movie" is spoiled and not as "exciting".]

Star Wars 8

This star wars movie has a lot of the same feel as many other star wars movies... and even, for some, a seeming returning to the theme, message, and drama of the original trilogy. It starts off, of course, with the popular scrolling yellow text fading into horizon – the same one that it popularized 40 years ago.

The scroll for this film reads something like – "First scene is the "First Order" (the replacement of "the Empire"). The menacing and ruthless First Order destroying the rebels and it's noted that they already destroyed all of the planets where "the Republic" had bases. Princess/General Leia leads the small band of rebel fighters which is getting smaller with each battle. Their only hope rests with Rey and Chewy as they have left to summon Luke Skywalker (Leia's brother) to return and rescue the rebels and train a new generation of jedis..." [end of scroll]

First scene shows the small band of rebels (less than 500) are working on abandoning the home-base planet before the Empire/First Order shows up or finds them. Too late, the empire just popped out of hyperspace just as the rebels are working to escape. And the First Order has a new fancy/deadly ship (the dreadnaught) with high-powered laser-blasters. General Hux boasts his crew has Snokes approval to destroy all of the rebels and their bases. But, just before they are about to do that, Poe interrupts.

Poe is flying a small X-wing fighter with his droid BB8. In super-speed mode, Poe proceeds to destroy the cannons on the dreadnaught – almost works perfectly. When completed, the rebels bombers show up with more X-wings. The First Order sends out their Tie Fighters and a dog-fight ensues. The Tie Fighters succeed in blowing up almost everything, except for one bomber that gets to drop its bombs and blows up dreaded dreadnaught. Then Poe and the few left make it back to the ship and launch into hyperspace. The rebel crew seems now between 300 and 400 hundred. The rebels are now almost completely defenseless and they are running out of fuel – but they are live, and they look forward to when Rey, Chewy and Luke get there. But, in the meantime, the rebels plan what to do next.

The next scene shows the demon-“god” called “Snokes” very unhappy with General Hux... until Hux explains (something we don’t get to hear). Snokes leaves the room happy as Kylo Ren (Ben Solo) walks in to see Snokes. Snokes had summoned Kylo to talk about the next plans.

Kylo is clearly still distressed over killing/murdering his own Dad to win Snokes approval. By the way, in this film we find out that Kylo Ren is not his actual name – his real name is Ben Solo, son of Han Solo and Princess Leia. Snokes was hoping to find a raging young buck that he could use... instead he finds Kylo hard to stir back into rage mode. So, Snokes decides to insult him and see if that works. Snokes says that Kylo has too much of Han’s caring heart and is just a “boy in a mask”. Snokes sends him out to fume, and to (Snokes hopes) stir his rage to go hunt down and destroy Luke Skywalker and the last of the rebel force. Snokes did accomplish his plan – Kylo’s rage is stirred significantly. Kylo destroys his mask as proof.

As General Leia and crew are still in hyperspace, Finn gets awoken from his coma (from injuries that he received during “The Force Awakens”). He pushes open the oxygen chamber door and gets free from the medical tubes and starts wandering the halls. Poe and BB8 find him and are glad to see him. And Finn’s first question is: “Where’s Rey?”

The scene skips from there (where “The Force Awakens, StarWars 8 leaves off), Rey handing Luke’s old lightsaber out to Luke. Luke takes it looks at it, remembers some old memories, then tosses it over his shoulder and goes into his hut on the island and closes the door. Rey is shocked... but she can’t get Luke to answer her. So, after retrieving the lightsaber, Rey brings Chewy to see Luke. When Luke says “go away” to Rey’s knocking, Chewy then breaks down the door. Luke is glad to see Chewy and asks how he got her, and Rey says they’ll explain on the “falcon” (Millennium Falcon). Luke then realizes that Han is missing and they all get a little sad. But, Luke isn’t changing his mind – he’s not coming back. But, Rey doesn’t give up that easily. She sleeps outside his door and follows him around every day for 2 days. By day 4, Rey is starting to get tired of following Luke around with no hope of his return... but as she follows him that day, she hears some whisper-voices calling from somewhere nearby – something she hasn’t heard since she heard the force calling her to Luke’s lightsaber (in “the Force Awakens”). She looks around and sees a magical mist around what looks to be an old tree. She goes inside and see a ray of light shining down on a set of books. As she walks over to them, Luke comes to the entrance and asks who she is. Rey explains that the resistance and Leia sent her to bring him back, but he realizes there’s something more. Luke states that apparently Rey has seen this place. Rey replies – only in dreams. So, he asks again who she is. So Luke asks why Rey came – and she explains that something inside her has always been there, but now is awake and it scares her – she doesn’t know what to do with it. Luke explains that this is a Jedi temple and it’s a tree that grew around these Jedi books to protect them “thousands of generations” ago. Luke also says she needs a teacher, but he cannot teach her. Rey replies, “And why not? I’ve seen your schedule. You’re not busy.” Luke says in reply, that he is not

returning back. Rey explains that Leia (his sister) and the whole team of rebels deserve an answer... to which he only replies that "It's time for the Jedi to end." And with that he leaves.

While Rey sleeps, Luke sneaks down to the Millennium Falcon and looks around. He finds Han's "lucky dice" (that look Kabbalah-like?) and is glad to find them. Then R2D2 awakes to his sound. R2 is so glad to see him and Luke likewise. They chit-chat for just a minute. Then Luke says that he wishes he could help R2 realize why he's not going back, and nothing can make him change his mind. R2 thinks fast and then plays a hologram of young Leia (his sister) pleading with Obi-Wan to come help, ending with the words "you're our only hope". Luke calls that a "cheap trick", and ponders.

As usual that night, Rey is outside his front door again, and Luke awakens her in the middle of the night and says that at dawn the next day, he will give her 3 lessons throughout the day and also explain to her why the Jedi must end. So, Rey takes that hope and goes and sleeps in hut and is awoken by the sunlight. As Rey ponders things, some magical force trance-connects Rey and Kylo. They can see each other, and Rey fires her blaster at him – seemingly hitting him (in the force/vision), but also leaving a hole in the hut. Rey goes outside and Kylo continues the conversation with her. Kylo tells her to bring Luke to him... but then realizes he needs to take a gentler approach. The trance-conversation ends there when Luke comes out of his hut and ask what happened. Rey lies and says that she was cleaning her blaster and it went off. Luke shakes his head, but leads her up the mountain for the first lesson.

Luke asks Rey what the "force" is. Rey says it's some power Jedi's have to control people and lift rocks. Luke replies that everything in that sentence was wrong. He tells her to sit on the flat rock with her legs crossed. He then tries to teach her that the "force" is the connective energy in all things. Rey says okay... but what is it? Luke tells her then to close her eyes, breath, and reach out. After getting it wrong the first time, Luke has her do it again, and this time to reach out with her "feelings". Then he asks her what she sees. Rey replies (in an out-of-body experience that uses demons and witchcraft): "The island. Life. Death and decay, that feeds new life. Warmth. Cold. Peace. Violence." Luke asks what's in between. Rey replies: "The balance and energy. A force." Luke asks her what she sees inside her. Rey replies: "That same force." Luke proceeds to teach her that the force is not isolated to Jedi's – it's in everyone and everything (pantheism). But Rey continues, "But there's something else, under the island." Luke replies yes, the balance of light and darkness. Rey continues: "Something dark. Something cold. It's calling me." Luke shouts for her to reject its calling. Rey doesn't break free for a few minutes, but when she snaps out of it when a spray of water (from way below) drenches her. Luke then scolds her that she went to the dark and didn't even stop. But, Rey replies: "But, I didn't see anything from you. Nothing at all. It's like you've closed yourself off from the force. [Then she realizes] Of course you have." Luke replies that he hasn't seen raw-power like this for years – since training Ben Solo/Kylo Ren, and that it didn't scare him then, but it does now. And he leaves. Later in the day, he comes back to give her lesson 2.

Scene switches to Leia and crew. General Leia slaps and demotes Poe from commander to captain, because despite his bravery, he didn't follow orders and that cost their whole crew the loss of all of their bombers and most of their fighter jets. She tells him, "Not everything can be solved by jumping in an X-wing and blowing something up, I need you to learn that." Poe replies: "There were heroes in that war." Leia replies: "Dead heroes. No leaders."

Just then, General Hux and First Order/Empire crew hop in from hyperspace (apparently 30 minutes later). The rebel fleet is almost out of fuel, but they think they can just jump into hyperspace and escape... but Leia stops them. She notes that the First Order just followed them through hyperspace. They are all shock – saying that's impossible. Leia agrees and says, but that's what they just did. So, Poe

requests permission to jump in an X-wing and blow something up (tongue in cheek). General Leia chuckles and says "Permission granted". But before the rebel fleet can get out of the space command ship, the Tie-fighters, led by Kylo Ren, fly in destroying a lot of the ship and the whole X-wing fleet. Poe and BB8 barely make it out alive. Kylo and team then fly around to the command center where Leia is... the "force" connects them, and even though Kylo is full of rage, he cannot kill/murder his mom. The two tie-fighters on his left and right do though – destroying everyone in the command center. Leia is seen floating in space, going to freeze to death almost instantly... and then a light appears from somewhere (?) and she finds just enough energy (and oxygen) to use the force to fly back (super-hero style) to the space-command ship and be brought in and attended to medically. She doesn't wake up for days from her coma. The crew moves out of range of the First-Order ships so that the Tie-fighters pull back, and then they just leave the gravity shields up to protect from the energy cannons, who can't hit with enough intensity at such a far range.

Finn finds the transponder Leia has for helping Rey find them that Leia dropped. The crew is grieved that General Leia is in a coma, but they are glad she's alive. The crew appoints Mrs. Amilyn Holdo who just wants to keep everyone alive for right now. No dramatic plans, even politely commanding Poe to stand down and follow orders until they can figure out a plan. Finn hears this and plans to escape from the ship in an escape pod to keep Rey from coming and dying with the rest of them. But, he meets Rose who, after a small misunderstanding, works with Finn and Poe to find a way to save the ships and crew. They together realize that the hyperspace tracker is a crystal inside the main ship. If they can destroy it, the crew can hop into hyperspace and be saved. So, the trio leaves Mrs. Holdo in the dark and Finn and Rose head off to find a code-breaker at a casino who can help them get into the main First-Order ship and destroy the crystal. But... that plan doesn't work as well as it seemed. Finn and Rose get to the casino, but then can't find their guy. They get arrested, where they meet a very shady liar, thief and... code-breaker, who "for a fee" will help them. So, the trio (including BB8) get out – after they have destroyed casino-town that looks very much like Lost Vegas and other pagan towns like it. The trio gets past the shield into the First-Order/Empire's main ship, then are almost to the crystal... and get arrested. This time it looks like they will be executed. They are saved by another's quick-thinking actions.

[the scenes are inter-spliced] By now, Rey has had another trance-conversation with Kylo. Kylo tries to get Rey to distrust Luke, but Rey holds her ground. Luke gives lesson 2 on legends/legacy. Luke talks about how he has been turned into a legend – almost "god" like. But that he has some incredible failures. Luke blames himself for Kylo turning to the dark side. Rey says, "You didn't fail Kylo. Kylo failed you. But, I won't." Luke still won't train her much, nor trust her much, nor return with her. Luke shakes his head and leaves for a while. Rey walks around under the Millennium Falcon... and just then Kylo trance-connects with Rey and tries to turn her against Luke by telling her that Luke tried to kill him when Luke supposedly became jealous of his power. Kylo tells Rey to let the past die (meaning the memory of her parents) – kill it if you have to (meaning kill/murder Luke).

Luke goes up to the mountain that night to re-activate himself in the force, and in doing so, he connects with Leia (his sister) and gives her more life, waking her from her coma. At the same time, Rey (wanting answers about her past and parents) decides to go see if the force underneath the planet has any answers. And even though it draws her, it doesn't help. It's only a place of "self-reflection" – quite literally. Like staring in to a mirror that keeps repeating. Then Rey is telling Kylo about this experience when they have trance-connected once again. Kylo tells Rey that she's not alone, and Rey reminds him that he's not alone. Rey reaches out her hand, and Kylo does too. And when their hands touch (in this force-vision), they appear in real time for each other. Only minutes later, Luke finds them and is wanting to teach Rey something... but then when he sees Kylo, he freaks. The force blast between them blows

apart the small hut and Luke tells Rey to get off of this island. Rey is not done asking questions. Rey and Luke battle (seems to be a lesson 3, building off of her alone-time practicing with the lightsaber earlier). Luke is fighting like an instructor – not an enemy. When Rey finally corners Luke, Rey asks is it true that Luke caused Ben Solo to switch to the dark side and become Kylo Ren. Luke explains that Luke was training Ben and 12 other students, and he saw the darkness (aka “hate”) rising in Ben and one night he used the force to read his dreams, and Luke was alarmed. Luke decided that he needed to stop Ben/Kylo’s rage and switched on his light-saber... only to realize he shouldn’t have – but it was too late. Ben defended himself and used his force-power to pull down the whole jedi temple and took a few students and murdered the rest and fled. Luke barely made it out alive.

Rey now explains that Kylo isn’t gone yet. Luke failed him by thinking his decision is already made (key false teacher reversal right there). Rey says that even now, she believes that he can turn – as she saw when their hands touched in the trance-communications. Luke pleads with her not to go back. Rey extends the lightsaber to Luke in a call for him to return. Luke looks down and shakes his head. So, Rey says that Kylo turning to back to the light side is their only hope, and she climbs down the mountain and leaves. Luke then, somewhat impulsively, decides that it’s time to destroy the last jedi temple. Yoda joins him, and when Luke can’t quite go through with it, Yoda uses the force to get a lightning-strike and burn it down. Luke is surprised that it’s time. Yoda says yes, it’s time for you to look past old books and focus on those in front of you who need your help. Yoda explains that those books don’t have anything in them that Rey doesn’t already have inside of her (meaning a love for and carefulness in using the light-side of the force). Rey hops on a little ship to go see Kylo, and Chewy takes command of the Falcon and waits to catch up with her when she gets off the ship.

When Rey arrives, Kylo is waiting – with a crew of 50 to 100 storm-troopers. Kylo takes her into custody and takes her right to Supreme Leaders Snokes (the demon-“god” like ruler). Rey pleads with Kylo to turn – he seems a little undecided. Snokes tries to coerce Rey into helping him... then just uses the dark-side of the force to yank it from her mind – causing her plenty of pain. Then Snokes commands Kylo to kill/murder Rey. Kylo instead murders Snokes, then Kylo and Rey fight the dozen or so red-armored skilled guards (Vatican cardinals?). After defeating all of them, Rey wants Kylo to stop the destruction of the rebel fleet... but, Kylo wants to let Snokes, Luke, the sith, the jedi, the rebels – all die. “Let the past die.”, Kylo repeats. And he wants Rey to join him in partnership to start a “new order”. Rey ponders it only briefly, and then carefully tries to steal Luke’s lightsaber back. Kylo and Rey use the force (equally) to pull on the lightsaber, eventually pulling it apart – with an explosive wave of force power knocking them both over. But, Rey quickly escapes, Kylo was knocked out.

Back to Leia’s team. Vice Admiral Holdo is working on an escape plan, which Poe becomes unhappy with and decides to try to “buy time” for Finn and Rose to get done destroying that crystal so the rebel fleet can launch into hyperspace. So, he and 4 others turn their stun-guns on Mrs. Holdo and her leadership team and Poe takes command of the ship. Leia breaks through and stuns Poe, and the crew evacuates the main ship to go to a small planet with a heavy bunker. The escape ships all have cloaking devices, so everything seems to be working fine... until that code-breaker who was with Finn and Rose gives info. Then General Hux starts firing on the invisible ships, blowing them up one by one. Vice Admiral Holdo takes matters into her own hands. Mrs. Holdo stayed in the ship to pilot it as a decoy – now the plan needs to change. She turns the ship around and uses what little fuel she has to launch into hyperspace. But, the real plan is to use her ship to split the First-Order ships – a suicide mission. It works. It destroys the ships just in time to protect Finn and Rose and BB8 and help them to escape, and protects the last 7 or 8 ships with 150 to 200 rebel/resistance crew, while destroying most of their enemies, except for General Hux and (now) Supreme Leader Kylo Ren and team.

General Hux arrives to apparently give Snokes a report... only to find him dead, and seemingly Kylo too. But Kylo awakes from being unconscious, with new "power". Kylo has almost as much power (seemingly) as the old Darth Vader. Mostly following Kylo's orders, General Hux commands the crew to start ground-forces and a march on the rebel base. In addition to the age-old marching robot tanks, the First Order now has a high-intensity laser-cannon that can penetrate most things. The rebels hold the First Order off for a little while, while they try to reach any rebels in the outer regions of the universe... and get no reply. None. Apparently all other rebel forces are indeed dead. With this news and nowhere to run and nowhere to hide, Leia sits down, almost ready to give up. Just then, a shadow walks in – it's Luke Skywalker. He encourages Leah, gives her the dice from her late husband (Han) and kisses her on the forehead, and then proceeds to face Kylo and his team. When Kylo sees Luke, he freaks. Kylo orders all forces to fire on that man. Kylo calls for more, and more, and more. Finally General Hux says enough. All gets quiet. The dust clears. And out walks Luke, seemingly completely unscathed. Kylo goes to fight Luke in person. Luke does enough acrobatics to make Kylo think he's fighting a human... but what Kylo is fighting is a force-projection of himself (he's still on that same island, in a trance mode). When Kylo realizes that he can't kill/murder Luke and the rebels, Luke reminds him that he will always be with him, just like his Dad, Han. Luke's antics here, though, are meant to give the rebels time to find another exit and escape. And with the help of the new powerful jedi(ess) Rey, the troops remaining (about 50 to 100) escape onto the Millennium Falcon and launch into hyperspace. The movie ends with hints that many young people are going to join the rebel alliance in time, due to the force somehow mystically reaching people outside the jedi "bloodlines" to... someday, become jedi heroes and part of the rebel alliance.

Okay, now comparing the StarWars message to God's Word. First the short notes, then some specific problems that are very concerning when compared to God's Word.

> StarWars8 "The Last Jedi" doesn't end with no jedi, it ends with somehow mystically inspiring unrelated individuals throughout the universe to emulate their "legend" Luke Skywalker. The newest "jedi" leader is, of course, Rey (the lady).

> Luke Skywalker doesn't return, but he does use satanism (ahem), I mean "the force) to transport himself to encourage his sister and then fight Kylo personally, dying in self-sacrifice as a false "messiah" - and yes they did play up the details to make him a replacement of Jesus.

> Leia dies once when she's blown out of her ship by an explosion, but somehow the fates, (ahem) I mean, the "force" allows her to use the force to get back to the ship and safety.

> Luke uses satanism (ahem) the "force" to infuse life back into Leia to help her get her strength back.

> Kylo Ren (Ben Solo) almost gets Rey to join forces with him after he very cleverly murders Snokes (that alien/demon "supreme leader"). Together Kylo and Rey fight off the dozen or so red-cloaked protectors of Snokes - (cardinals?) and then Rey realizes Kylo will become a ruthless tyrant and runs away.

> Ladies are as plentiful in soldier positions as men... something I do *not* want to see in real life, and I pray hard against. All modern wars are evil, illegal, and fight against God and the Bible (with only a few exceptions in the last 100 years). All modern wars are started by satan and his ruling banksters - never by honest followers of Christians. Both the upside-down cross and the Egyptian crescent/phoenix are

symbols of satan - not Jesus and the Bible. James 4 explains war very simply and very clearly and so does Proverbs 1 and Exodus 20 and Galatians 5, just to name a few.

> Other agendas are this being another film where they want to murder and kill off the older generations who help the younger ones stand in the way of one-world progress and satan's 666 Tribulation tactics. Also, that we "need" both good and evil/light and dark – like a yingyang of eastern paganism.

> There were seemingly no clues as to what direction the demonic #disney and demonic star-wars team are taking starwars for episode 9. What is clear is that they have clearly moved away from (very carefully) #GeorgeLucas's version with pushing Toaism/Hinduism/Buddhism and "honor" wars – now, they are pushing more heavily for one-world NWO, the "need" for war, and the "need" for an uprising against God in favor of a one-world society.

These are the short notes. Please pray that many that honest followers of Christ may turn from hollywood's lies and the NWO propaganda more and more, as John 10 teaches so well, along with Matthew 13.

Now for some specific details, and analysis of the key messages, "gospel", and even some NWO (new world order) threats that we need to all be aware of.

Let's start by talking about "the force". As you saw in the storyline, Luke pretends that it's a "balance" of light and darkness in everything and everyone. No... in real life, that's a lie. Because all humans are sheep (Psalm 23, Isaiah 53, John 10). All of us are the same – we are all lifeless when we are in sin and we cannot escape sin outside of God's help (John 8 and 10 make that very plain). And, on top of that, there are only 2 energy sources on planet earth. When you see someone with charisma and energy to move people, they are empowered by one of two sources – 1) God, the Holy Spirit and angels, proven by their growth and purity in walking with God, or 2) [more common] demons/fallen angels. Most people are easily empowered by fallen angels who do loan their power (somewhat) based on what the person will do for satan. Yes, that actually happens a lot – especially in the movie and music and book industries. But, that's no surprise for Jesus said that too: ³⁴**When He had called the people to Himself, with His disciples also, He said to them, "Whoever desires to come after Me, let him deny himself, and take up his cross, and follow Me. ³⁵For whoever desires to save his life will lose it, but whoever loses his life for My sake and the gospel's will save it. ³⁶For what will it profit a man if he gains the whole world, and loses his own soul? ³⁷Or what will a man give in exchange for his soul? ³⁸For whoever is ashamed of Me and My words in this adulterous and sinful generation, of him the Son of Man also will be ashamed when He comes in the glory of His Father with the holy angels."** (Mark 8:34-38)

>> Notice here: either someone has received God's pardon in exchange for a covenant with God through Jesus Christ, or they are dying in their active rebellion against God and selling their soul more and more to get the empty earth-trinkets and sin-pleasures of this pagan and fallen and rebellious and perverse world. There are only two options, just like Jesus said.

"No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon." (Matthew 6:24) Notice again – only two options, according to Jesus.

And again: ¹⁰**The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."** (John 10:10)

Either we are slave of sin or we are a slave of righteousness – which is why Jesus spent many hours teaching on the cost of following Him and being His disciple. Salvation is an all or nothing exchange. We can't do anything to earn it, but if we obtain it – we also agree that we are ransomed from sin to live and grow in serving and following Christ. But that's not taught in the pagan-run pulpits of the 501c3s today... shame on them. They will get their hearing before God and Jesus will rebuke them personally – all of them who refuse to preach all of the counsel of the Word of God. May the rest of us learn how not to follow their wayward and deceptive paths, but to walk and grow in holiness – not sin and excuses for our slaveries to sins.

Okay, so – it's the same here in this film – neither side represent God. God is *not* represented here in this video-sermon on Buddhism/Taoism. Both sides here are satan's. But, that's no surprise, because even witches and sorcerers and wizards admit quite plainly that there is "white" and "black" magic. But no wonder – God Himself told us before-hand that satan and his team of fallen angels would do this. **¹³For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. ¹⁴And no wonder! For Satan himself transforms himself into an angel of light. ¹⁵Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.**" (2nd Corinthians 11:13-15)

In addition to this key problem, Star Wars, as usual, preaches a universalism – that all will be saved or "redeemed" as some false teachers say it. No, not all. Read Romans 1 and Revelation 20 to see what God says on it. And here is Jesus Himself: **¹³"Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. ¹⁴Because narrow is the gate and difficult is the way which leads to life, and there are few who find it."** (Matthew 7:13-14)

And again, this is Jesus teaching and warning about this: **²¹"Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven. ²²Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' ²³And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!'"** (Matthew 7:21-23)

So many are on the "broadway" (broad way), intentionally. You can't talk some people out of their sins. They love their sins far too much to repent. Exodus 20, Proverbs 6, Romans 1, 1st Corinthians 6, Galatians 5, and 2nd Timothy 3 are very clear on what active sins will keep many out of Heaven – forever. Even despite the strong will in some to fight for sin and harden their hearts in sin... God still calls to all who will repent at some point and get right with Him. **⁸But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.**" (Romans 5:8)

And again:

¹⁰He was in the world, and the world was made through Him, and the world did not know Him. ¹¹He came to His own, and His own did not receive Him. ¹²But as many as received Him, to them He gave the right to become children of God, to those who believe in His name: ¹³who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. ¹⁴And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth." (John 1:10-14)

And again:

¹⁶For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. ¹⁷For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.

¹⁸ **“He who believes in Him is not condemned; but he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God. ¹⁹ And this is the condemnation, that the light has come into the world, and men loved darkness rather than light, because their deeds were evil. ²⁰ For everyone practicing evil hates the light and does not come to the light, lest his deeds should be exposed. ²¹ But he who does the truth comes to the light, that his deeds may be clearly seen, that they have been done in God.”** (John 3:16-21)

And again: **“⁷ Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap. ⁸ For he who sows to his flesh will of the flesh reap corruption, but he who sows to the Spirit will of the Spirit reap everlasting life. ⁹ And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.”** (Galatians 6:7-9)

>> People will make their choices. We can't argue anyone in the Kingdom of God who doesn't want it. All we can do is remind them of God's Word, His mercy, and repentance, and pray.

The next concerning message is gulp for some. It was a very prevalent message in the last 2 Star Wars movies too. Simply put: (according to demonic disney and the NWO) “the older generation needs to die”. Yes, they actually said and showed that. The movie itself portrayed that, as well as Kylo and Snokes saying it (dark side), and as well as Luke saying it (light side). How did they say it? Well, I think Kylo said it in the most succinct way to Rey: “Let the past die. Kill it if you have to.” And Kylo made good on that – trying to murder Luke and anyone else who got in his way – before he became the “dark side” favorite and after. We just saw who wants to murder – satan. Jesus even explained that satan was a murderer from the beginning (John 8:44). Any false religion build on murder – as both the Vatican and it's secret off-shoot, islam, do quite plainly, are not religions of the One True Holy God, but of satan. That is plain to see in today's world as well as history. Look up the inquisitions, and the Vatican's murders during WWII, and using islam to be in the invading force to destroy, so the Vatican could come in as the “hero” – sounds like their latin phrase: “ordo ab chao” = Order out of Chaos. That's satan – always. So, yeah, this film had many different ways of preaching that the older generation needs to die out (or at least most of them).

Another key concerning message that was also preached in 3 ways is that the younger generation has found a connection with spiritual power, and pretty much no longer needs leaders, because they are ready to lead the world into “peace”. Kylo just called it a “new order”, when he was trying to con Rey into marrying Him and ruling the galaxy by his side. And yet in Scripture, where does the message of false “peace, peace” come from? The antichrist (satan-possessed) himself. **“But concerning the times and the seasons, brethren, you have no need that I should write to you. ² For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. ³ For when they say, “Peace and safety!” then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape.”** (1st Thessalonians 5:1-3) When the Holy Spirit steps out of the way and allows the one-world antichrist to step onto the world stage, then when he has established trade-treaties with the whole world, and then Israel, he will be saying “peace, peace”... but there will be no peace – not until Jesus returns and sets things right.

Which is a good segue to the next topic: war. This Star Wars film preached 2 things on war: 1) it is “needed”, until 2) we have someone who can solve or stop all wars. This came out also when Rose and Finn were looking for the “master code-breaker”. If we had to guess what the next star wars is going to be about, we're guessing that it will be about an antichrist – just like many of the superhero films and some pagan tshirts have already been preaching. But, this is a good time to remind people – wars are **never** started by Christians. Never. Not one. They are sometimes blamed on Christians, but they are never started by honest followers of Christ, because Jesus is not the author of death – satan is. Death

and pain came into the world because of satan's war against God and Adam's choice to join the rebellion... to be saved by faith later, though sadly many of his descendants don't join him in repentance and getting right with God. So, until Jesus returns, there is always going to be war. Not because of the Bible, but because of satan and his war against God. The devil, satan, never will stop fighting... even in Hell/Lake of Fire. But, someday, God will throw satan to the bottom of the Lake of Fire, forever, and then his rebellion will be done. Till then, we must stand against his schemes and warn others to turn from sin and give their lives to Jesus. God explains war quite well in 2 passages: one in Proverbs 1 and one in James 4.

“¹⁰ My son, if sinners entice you, Do not consent. ¹¹ If they say, “Come with us, Let us lie in wait to shed blood; Let us lurk secretly for the innocent without cause; ¹² Let us swallow them alive like Sheol, And whole, like those who go down to the Pit; ¹³ We shall find all kinds of precious possessions, We shall fill our houses with spoil; ¹⁴ Cast in your lot among us, Let us all have one purse” — ¹⁵ My son, do not walk in the way with them, Keep your foot from their path; ¹⁶ For their feet run to evil, And they make haste to shed blood. ¹⁷ Surely, in vain the net is spread In the sight of any bird; ¹⁸ But they lie in wait for their own blood, They lurk secretly for their own lives. ¹⁹ So are the ways of everyone who is greedy for gain; It takes away the life of its owners.” (Proverbs 1:10-19)

And James 4:

“Where do wars and fights come from among you? Do they not come from your desires for pleasure that war in your members? ² You lust and do not have. You murder and covet and cannot obtain. You fight and war. Yet^[a] you do not have because you do not ask. ³ You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. ⁴ Adulterers and^[b] adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God.” (James 4:1-4)

So, the rest of these points are little. The movie actually has both the “light” and the “dark” sides doing identical things in various parts of the film. For instance, Rey uses Kylo's lightsaber once, and Kylo uses Rey's lightsaber twice. Then there's the red-cloaks battle-suit fighters who attack Rey and Kylo after Kylo murders Snokes – using the force. Those red-cloaked fighters and the throne Snokes was sitting on sure make the dark side appear to be hinting at the Vatican. But, Luke and the jedi “temple” also have that look too... as you can see, no side is specifically good or evil... both are twisted and on satan's side – meant to blur and confuse.

The YingYang – and it's messages all throughout the film. That is part of the Japanese mysticism and false religion pretending that for “balance”, you need a little darkness (meaning evil?) and a little light – equal parts of each. It's the same false religion as Buddhism and Hinduism. But, with God, there is great balance, but no evil. The devil is the force of imbalance as he tempts as many as he can reach to fight for sin and against God. God is true and no, satan and God will never call a truce, because satan will never repent. Jesus said so. **“⁴¹ “Then He will also say to those on the left hand, ‘Depart from Me, you cursed, into the everlasting fire prepared for the devil and his angels...”** (Matthew 25:41) And again: **“Then I saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. ² He laid hold of the dragon, that serpent of old, who is the Devil and Satan, and bound him for a thousand years; ³ and he cast him into the bottomless pit, and shut him up, and set a seal on him, so that he should deceive the nations no more till the thousand years were finished. But after these things he must be released for a little while.... ⁷ Now when the thousand years have expired, Satan will be released from his prison ⁸ and will go out to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to battle, whose number is as the sand of the sea. ⁹ They went up on the breadth of the earth and surrounded the camp of the saints and the**

beloved city. And fire came down from God out of heaven and devoured them. ¹⁰ The devil, who deceived them, was cast into the lake of fire and brimstone where the beast and the false prophet are. And they will be tormented day and night forever and ever.” (Revelation 20:1-3, 7-10)

Also in this film, the StarWars “force” was developed enough to be presented as an actual official religion, with texts and more official “temples” (one of which Luke and Yoda burned down). Of course, prayer to dead relatives and friends (the force) is common, though only briefly shown in most cases. Talking through the “force” – aka, telepathy, was given prominent screen-time here. Remember, God commands us to run from sorcery – not to play with it. God is the same Holy God as in the Old Testament – so today. Deuteronomy 18 teaches this well. Acts 19 shows this too, and a good example all should follow. **“¹⁹ Also, many of those who had practiced magic brought their books together and burned them in the sight of all. And they counted up the value of them, and it totaled fifty thousand pieces of silver.”** (Acts 19:19)

Transhumanism on the rise – a huge lie. This StarWars film showed many stupid scifi tricks that cannot happen in God’s world. One of them was that robots and humans can both have feelings and emotions (humans can, robots can’t), and several characters treated droids like humans or animals – which they are neither, they are shiny pieces of metal with a program.) Robots cannot feel emotion or think as fast as humans that God made. In today’s culture, the same lying “scientists” who push the false religion of evolution, also push something called “trans-humanism” = “evolving” beyond human. But, humans cannot have babies with robots – the “achievements” for this are significantly over-hyped by the NWO and their “scientists”. What many may not know is that, according to the lying religion of evolution, man’s next “stage” is becoming immortal by “marrying” and “having babies with” robots. The devil’s lies don’t stop – they just get repackaged.

As for everyone getting saved or redeemed... no... but, Jesus’ answer extends to everyone:

“⁶ Jesus said to him, “I am the way, the truth, and the life. No one comes to the Father except through Me.” (John 14:6)

In addition to all of the ridiculous and deceptive “science” and “planets” in this film, and all of the lies the CIA and demonic disney snuck in here, they also had the “force” keeping some people alive magically so that the “balance” was not destabilized... that’s something right out of the Greek myths, called “the fates”. There are many reasons God commands us to have nothing to do with satan’s long-old and ancient myths and legends... some who enter, never come out and get saved. Lies and false teaching do have power – otherwise God would not call lying a sin. **“But reject profane and old wives’ fables, and exercise yourself toward godliness.”** (1st Timothy 4:7) And again: **“nor give heed to fables and endless genealogies, which cause disputes rather than godly edification which is in faith.”** (1st Timothy 1:4) And again: **“I charge you therefore before God and the Lord Jesus Christ, who will judge the living and the dead at His appearing and His kingdom: ² Preach the word! Be ready in season and out of season. Convince, rebuke, exhort, with all longsuffering and teaching. ³ For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; ⁴ and they will turn their ears away from the truth, and be turned aside to fables. ⁵ But you be watchful in all things, endure afflictions, do the work of an evangelist, fulfill your ministry.”** (2nd Timothy 4:1-5)

Review of Star Wars in general:

And yes, of course, let's talk about #StarWars... not the "good" side- it has none. It is one of satan's masterpieces for preaching to Christians and the so-called Christians (aka false converts) who refuse to read Jesus' words and grow in obeying them.

To do this post justice, let's review what #StarWars creator #GeorgeLucas created.

The first 6 films, he created an alternate universe that push pro-NWO-wars (all of these wars are not only unBiblical, but they are anti-Biblical too ~ See #James4). And Mr. Lucas' Star Wars also had war-training simulations to indoctrinate the young ones, had indecent scenes and often at least a few with indecent outfits to make that seem "normal", as well as the "reasons" and "reasonable excuses" of why we "need" the "war on terror" - everything from lone-man virus-spreaders, to lone-man terror-guys, to few many pirates, to "enemy droids", to trying to make human-cloning look normal ("#CloneWars"), to trying to make witchcraft "light and dark sides" look normal.

On top of that, words were used like "#ChosenOne" of #Anakin #Skywalkerwho became "#DarthVader", and Mr. Lucas' films set had #ObiWan #Kenobipreaching against all absolutes as part of the "dark side" and then Yoda preached against all anger and all fear as though all of both are bad - completely contradicting many many passages of Scripture about our need to #Judge #Righteously (John 7:24) with #RighteousIndignation against evil and sin and the spiritually #Healthy #FearOfTheLord being the beginning/start of wisdom (Proverbs 1:7, 9:10, etc) - preferring to judge by situational ethics and feelings - quite literally. If you were to never see another star wars film, your soul would be in better condition - deception always hurts us until we learn to hate it and the sins it promotes. Throwing out your trash vendor is the best thing you'll ever do for you family - in light of eternity (as well as the non-Christian movies, music, books and games...) - Key point: Remember that in "starwars" both the "light" side and the "dark" side both serve satan - the God and Creator and Judge of the Bible is nowhere to be found in this satanic creation. Nowhere.

So, then Mr. Lucas quit before "Star Wars 7: The Force Awakens" So, JJ Abrams did Star Wars 7 in his place. Why did Mr. Lucas quit? Well first of all - he has the same or similar false god, so that wasn't the problem. Not getting enough money from it might have been part of the problem, But another key point, as you may remember, demonic disney bought up Star Wars, digitalized them for the children to be propagandized and ready for the #NewWorldOrder (#NWO) and were forcing extra pagan agendas on top of what Mr. Lucas was doing - with his Buddhism, witchcraft, and promotion of war to keep "the balance".

Now, the next 4 films have had 4 different directors - "StarWars Rogue One" had Gareth Edwards, the "Han Solo" stand-alone film has Ron Howard, "Star Wars VIII" had Rian Johnson, and "StarWars IX" had Mr. Trevorrow - who has now left. Any easy explanation? Yes, I found this interview helpful - it noted that demonic disney is slapping movies together with lots of money and a changing story plot - they seem to be director and just want a puppet-director to pretend he did it, not them. Strange things going on, indeed. ~ Thought I'd share the insights that I'm finally pulling together, Will plan to post more as I see more info.

Here is one last quote on Star Wars, the message of all of their films. You can read more at the link following this quote.

"The Star Wars Truth (Vigilant Christian article)

Star Wars, is a very entertaining action film that millions of people have enjoyed watching. As crazy as this will initially sound to most people, Star Wars is crafted to promote the religion of the New World Order or Brotherhood of Death.

This article explains why the right eye is "hidden" in each poster and Star Wars is part of the secret war against Christ and His people.

God warns that we risk our eternal salvation if we do not safeguard our children from what is being taught in many modern films, including Star Wars.

"Neither let there be found among you any one that shall expiate his son or daughter, making them to pass through the fire: or that consulteth soothsayers, or observeth dreams and omens, neither let there be any wizard, Nor charmer, nor any one that consulteth pythonic spirits, or fortune tellers, or that seeketh the truth from the dead. For the Lord abhorreth all these things, and for these abominations he will destroy them at thy coming." Deuteronomy 18:10-12

Lucasfilm was acquired by Disney (a company founded by Freemason Walt Disney) in 2012. Disney consultant George Lucas and employees Abrams, Bryan Burk and Kathleen Kennedy are teaching white magic is good. They teach that only black magic is bad. White and black magic violate Christian teachings.

The people responsible for Star Wars glorify not God, but the Force. It is no accident that the first Disney Star Wars film was released as a Christmas movie. Daniel 11:38 warns the God of the Antichrist or Maozim will be the God of forces. The notion of an impersonal "Force" being "God" serves to deny God's relationship with each person. The notion of the "Force" is a central theme in Luciferianism and the central theme behind the secularist world view.

If there were only a few examples of Star Wars overlapping with the religious beliefs of the New World Order than the similarities could be argued to be unintentional. With literally hundreds of overlapping examples in Star Wars, the unintentional claim quickly goes out the window. The Star Wars films current and planned up to 2019 are:

Star Wars: Episode I The Phantom Menace (May 19, 1999)
Star Wars: Episode II Attack of the Clones (May 16, 2002)
Star Wars: Episode III Revenge of the Sith (May 19, 2005)
Star Wars: Episode IV A New Hope (May 25, 1977)
Star Wars: Episode V The Empire Strikes Back (May 21, 1980)

Star Wars: Episode VI Return of the Jedi (May 25, 1983)
Star Wars: Episode VII The Force Awakens (December 18, 2015)
Star Wars: Episode VIII (May 26, 2017)
Star Wars: Episode IX (2019)

Examples of how Star Wars is intentionally designed to help usher in a new age religion that rejects Christ are listed below.

Unmasking Eleven Major Star Wars Hidden Messages

1. "May the Force be with you" is a variation on the Christian phrase "May the Lord be with you."
Occultist take pleasure in removing any reference to Jesus and even greater pleasure when people are deceived to participate in their abominations. This is exactly what happens in Star Wars with the word "Lord" changing to "Force."

Thank you for joining us and reading this and for praying for your family and country. One key hope for any country is when more people turn from the sin-filled entertainment and generational sins and turn back to God and His Word. May we challenge more around us to do just that. Hope you join us next time for Bible studies and movie-reviews to inform Christians and help them turn from sin, expose the lies and schemes of the devil, and to teach as many as they can reach to become whole-heart, faithful and pure followers of Jesus the Christ.
