We live in an age where, sadly, much of history is lost. So, sometimes it's just time for us to work together to review what the past generations knew - things that match the Bible, and things that help the current situation make sense, despite the myriad of cover-stories, regurgitation of old myths 'reborn' and the flood of false info, false evidence, and false history to confuse the genuine followers of Christ (and any others who care about people and believe the Bible somewhat). This article here is partially just a recounting of my 16 years of researching Israel and what is hurting them, and why. And it is also partially a response to a request from some who have asked me why world-affairs matter, and how to pray about them, and how to balance the stress the general world-news brings. (For trusted resources, please see the Bibliography list at the end of this report.)

So, let me first start out by explaining where I stand - in few words. Then we can look at some topics that miss the radar sometimes.

I'm pro-Israel. And I'm pro-Jewish too. I support the Jewish people, including their right to defend themselves from enemies within, and outside Israel. Also, the most famous Rabbi of all, was born and raised in Israel, then taught profound things, fulfilled over 300 prophecies, did miracles, raised the dead, then died as the Passover Lamb, and rose again the 3rd day - Isaiah 53 describes Him well. We, gentiles, those of whom believe and follow the Bible, know that we are grafted into the lineage of Abraham, Isaac, and Jacob - adopted in through Christ (Romans 9-11).

So, the next question is - if I'm pro-Israel and pro-Jewish, why am I not very supportive of their leaders sometimes? Because when Israeli leaders work contradictory to their own people to please the NWO (new world order) team, I oppose them and expose them. And, sadly, Israel has some very evil leaders who are imposed on their land right now. I'm also not supportive of the 'war on terror', or the 'Middle East Union'... Simply-put, I'm pro-Israel, but I'm against satan's various schemes to create his one-world-govt during the church age (Revelation 2 and 3).

And that's our topic on this INCPU news exclusive report. But first - let's review some history. And, let's go back, way back. Back to the beginning - in Genesis. Genesis really is the foundation for everything we see today. And the Bible explains a lot of what we see in Genesis, throughout the rest of the Bible. Everything you see today, started in Genesis.

There are 2 key covenants between God and the Jewish people that we need to be aware of.

> The first one is found in Genesis 12, 15, 17, and it is called the 'Abrahamic Covenant'. Specifically Genesis 12:1-3 is where God defines his everlasting covenant with Abraham and his descendants (specifically the line through Isaac and Jacob/Israel). Genesis 15 is where God actually first describes the boundaries of the land God gave to Abraham - boundaries would today, include a significant chunk of what is known as the 'Arabian Peninsula', as well as modern 'Israel' and a good stretch into the desert to the east of Israel. This covenant was unconditionally done by God, with a promise to Abram [God changed to Abraham] and it includes the land of God's pre-set boundaries, which less than a quarter exists in what is now known as modern Israel. This covenant was based on God's promise and Abraham's faith in God's Word. **"³I will bless those who bless you, And I will curse him who curses you; And in you all the families of the earth shall be blessed."** (Genesis 12:3, NKJV)

> The second of these covenants is the Mosaic Covenant, given to Moses and the now nation of Israel at Mt. Sinai and around the desert wilderness in that area. This covenant was **conditional** in a sense, but it's deeper than that. First off, the law was not given to save. It was given to show sin/rebellion against God condemns us (John 16:8; Romans 3:19), and it was given to point us to Christ (Galatians 3:24) [*For them, it was the future Messiah - now, it's the One who has come.*] This covenant was also teaching and laying a foundation for God's demonstration that if we follow His laws and learn His ways, and learn to love what He loves, hate the sins He hates, and love people as He does - we'll find His blessings here and in eternity. It also demonstrates how God applies a curse on those who willfully rebel against the commands of God that they know. This covenant **does not** supersede God's unconditional covenant promises to Abraham. It is a separate covenant, replaced (in some ways) by the law of Christ, the new covenant in and through His blood. This covenant was a list of commands, as well as offers of blessing for walking after God's heart, and curses for rebelling against Him and hurting others. They are two distinct covenants, and that is why you see some passages in the prophets talk about God keeping (and will keep) His covenant with Abraham, Isaac, and Jacob [whom God changed his name to Israel.] That includes many prophecies about the Jewish people, specifically, being re-gathered back into their land. While other passages are clearly where God is explaining the consequences of the people of Israel rebelling against God's Word and commands of the Mosaic Covenant.

Okay, next, let's note... why so much hatred against Israel? Because of Ishmael? Because of Esau/Edom? Or someone else? Well... simply put, the hatred of Israel is always stirred up by the top-deceiver: satan. And everyone attacking Israel (overtly or covertly) is working with satan. So, first off, let's look at the shadows first. Revelation gives some of the clearest passages that show satan and his co-conspirators trying desperately to destroy Israel (Isaiah 14, Ezekiel 28, John 8:44, John 10:10). Over the last almost 6000 years, satan has tried to destroy Israel in a variety of ways. That evil deceiver, satan, has tried to 1) pollute the bloodline of Israel's Messiah to prevent Him from coming (didn't work), 2) tried to get them into so much gross sin that God would destroy them, 3) tried to murder the lineage of the Messiah, 4) tried to drive them out of the land God promised them, etc, etc. Over and over satan is the inspire-er of these evil plans. But, why? What's his goal? Simple - satan has deceived himself that if he can prove God a liar and defeat God's promise to Abraham, Isaac

and Jacob about the Land of Israel (which is impossible for God to lie - Numbers 23:19), then he imagines that he won't get judged for his rebellion against God. **A few key problems with this plan of satan:** 1) God is holy (Isaiah 6:3; Revelation 4:8)) and He is Judge (Romans 14:10; 1st Corinthians 3:12-16; 2nd Corinthians 5:10; Revelation 20:11), and He is not changing (Exodus 34:5-7; Malachi 3:4-6; Hebrews 13:8). But, those simple facts do not stop the old serpent from trying to do evil in any way he can - direct attack or subterfuge... Ishmael and his children as well as the children of Esau (Edom) have been antagonizing the Jewish people off and on throughout the last 4000+ years of history, since God's covenant with Abraham, including during the time of the Mosaic Covenant.

So, speaking of subterfuge, let's skip forward from Genesis, to more modern times. Let's first look at the times of WWI and WWII. Most people don't understand the Middle East conflict, and that's partially because they don't know their Bible well, which oftentimes has to do with the problem of the myriad of false teachings and false teachers. But, with that said, let's look at the treaties of WWI and WWII. I learned from a brilliant researcher years ago, if you want to know what a war was really about, follow the money trail, and look at the treaty. This simple method/test helps simplify everything - including the 'cover' story, or 'official' story. What was the point of the WWI and WWII? Mostly to set up a one-world-govt. The first one one-world-govt try was called the 'League of Nations' (WWI), and the second one was/is called the 'United Nations' (WWII). Both of which are tools to eventually get everyone under the one-world antichrist system. And both of these were heavily funded and controlled by the Rockefellers and Rothschilds and their fellow cronies. Both families are not shy [**rather brash and brutal**] about their wish for a one-world-govt they can control. Additionally, the WWII treaty talks about setting up a one-world Bible 'society', that looked like it was to help get the Bible out... but now is proving to be nothing more than the Vatican 'Inquisitions', an attempt to stomp out the Bible and dumb it down further from the original texts.

So, back to WWI and WWII. The Rockefellers and Rothschilds have been building up the Arab countries since just after WWI. Why? Because the Rockefellers, specifically, wanted to drill and sell the oil reserves under the lands and to raise up the religion of Islam to use against the Jewish people and the genuine Christians (around the globe) as they worked to merge the world, and the religions to a one world system, just like the antichrist will have, as described in the Book of Revelation. The Rockefellers were the key family and team that set up all of these supposed 'Arab countries'. If it weren't for the constant funding from the Rockefellers to the Arab 'nations', the Arabs would be just as God said they would be: 1) among their brethren, 2) fighting each other, 3) in a wilderness environment: “[*God said of Ishmael and his descendants*] **He will be a wild man; his hand will be against every man, and every man's hand against him, and he will dwell in the presence of all his brethren.**” (Genesis 16:12) The Rockefellers goal was to try to use oil and their pagan religion (Islam) to unite all of the Arabs (For example, **the Arab League**) and create a 'Middle East Union'.... then, God interrupted satan's schemes, as Scripture shows that He does many times. You see, most people think that Israel was 'reborn' in 1948 and the successive wars in 1956, 1967 and 1973, when (with God's supernatural help) the Jewish people were able to defend themselves from the Arab attack, and also reclaim Jerusalem, the city that God has established as their capital. Most people today hear a narrative of rewritten history that Israel was started by the Rothschilds (supposed 'Jews', as the Rockefellers are also), with the twisted British decree called the 'White Papers/Balfour Declaration'. The problem is that those who tell that version of the history are either confused and deceived, or just flat out lying. God was the One who started regathering the Jewish people back to the land that God had established for them with Abraham, Isaac, and Jacob (as we looked at above). And God had started the re-

gathering in the early part of the 1900s, even before WWI had started. So, even as the global tycoons were fashioning their Arab union, God was thwarting and restraining their evil plans by starting the fulfillment of His many promises to the people of Israel and bringing them from all nations, back to the Land He has picked for them. That's a history you don't hear much, yes?

So, the Jewish people were coming from all countries of the globe back to Israel (which had been desolate for centuries.) God had allowed the Jewish people to be scattered, as He warned would happen through many prophets, including Moses, Joshua, Caleb, all the way through Zechariah and Malachi. So, because the people of Israel did not follow the Mosaic covenant, so as God had warned them, so He did - He drove them out from their land for a time... That is, until the 1900s, when He started to fulfill His other prophecies and promises to bring them back, based on His promises in the Abrahamic Covenant.** So Jewish people were starting to re-gather, and the Rockefellers and Rothschilds panicked and decided to try stop them. The NWO team's first plan was to mass-murder as many of the Jewish people as they could - to get them out of the way, and to stop prophecy from being fulfilled. And, of course, the old deceiver, satan, was working in among these evil NWO leaders. So, during WWI, persecution against the Jewish people reached a point countless millions of them were killed in war, murdered in horrific ways, and most of them lost their properties, money, etc. But, this plan backfired on the NWO team - the increased persecution of the Jewish people in Europe only intensified the surge of Jewish people heading back to Israel's lands, where God was sending them to the land of Israel (that was still barely forming). So, these now displaced Jewish people went back to Israel and started buying the wilderness lands from the Arab ranchers at very high prices. Then they started to cultivate it again: clearing out the mosquito-swamps (many died during this stage too), and building towns, then villages, then larger communities (Yeshivas), and planting gardens and olive trees and many other things. All of that was starting to happen *before* WWII.

** <http://www.incpu.org/Jewish-people-returned-to-Israel.htm>

Now in WWII, the Rothschilds and Rockefellers were furious against the Jewish people, because their one-world-govt satanically-driven plans were being interrupted. So, the NWO team met and decided to do something bigger to get the whole world to bend to their demand for a one-world-govt. They met with Hitler, who had to get their permission, many years before the 'intelligence' agency team that he started was able to do enough sabotage, propaganda campaigns, and rigged elections and altered laws, for the man that we now know as a world-tyrant to become popular with the people. But Hitler also had to lie vigorously about how much he would do to those 'industrialists', but he never allowed the people to move against the NWO team that funded him. After he had won the election (by deceit and subterfuge) the following of the German people, he then (with continual Rockefeller/Rothschild money) started to build a military, laboratory, and machining system to help him take over the world. The Rothschilds and Rockefellers were planning on one of two outcomes from this evil plan - 1) Hitler rules the world, and they win that way, because they controlled him. Or 2) Hitler does enough damage to all the countries of the world (including mass murders) that the whole world would bow to their demands as one-world leaders, and join the one-world-govt. Again, God didn't let it go according to either of satan's plans.

For in persecuting the Jewish people and the Christians, they still couldn't eradicate the Jewish people (but oh they tried). God was protecting many (despite their losses) and God used the WWI and WWII to wake up all of the Jewish people around the world to come back to the land He has given them. The author of murder, satan, tried to massacre them all... but

God kept satan from that plan, and instead redirected the Jewish people that survived, back to His Land, according to His plan.

So, while patting themselves on the back for the significant progress toward one-world-govt during WWI and WWII, the Rothschilds, Rockefellers, and new fellow cronies, decided that if they can't '*beat 'em, join 'em*', and they pretended to be the ones who decided to create Israel, hoping to kill them off later. So, the Rothschilds pretended their 'gracious' plan to give most of the Jewish land to Arabs as at least 'kind' because they gave them a little land for themselves. But, barely into this new 'peace agreement' from the evil Rockefellers and Rothschilds, the same evil world-tycoons funded and promoted the newly-formed Rockefeller-creations called 'Arab countries' to rise up and attack Israel. It was then, and clearly then, that it became **very** obvious that something miraculous was happening with the Land of Israel. Because in these several wars, over the first 10 years, the Jewish people were extremely out-numbered, and yet not only beat back their enemies (who would murder them), but they also reclaimed rightfully in the eyes of all of the world, all of the Land that God had promised them, and much more - but in the treaties, they settled down to the land that is being fought over today.

- 1948, Israel's war for independence from Arab attack the day after inauguration.
- 1956, the second Arab/Israeli war
- 1967, the '6-Day's War', where Israel captured and united Jerusalem as their capital.
- 1973, the Yom Kippur War.

If you talk to many Jewish people, you will hear some awesome stories about God's defending Israel during those wars. One man in the Jewish air force described to me how there were angels flying next to his plane. Another man described how he was surrounded by a couple dozen Arab enemy soldiers, and he was lying on the ground almost dead. They came closer to finish killing him... and then suddenly ran like crazy. He was later able to ask one of those soldiers why they ran, and the Arab soldier explained that there was an army coming to help him... an invisible army of angels that the Jewish soldier never saw, but the Arabs enemies did. And there are many more miraculous testimonies and explanations like these. Yes, the Rothschilds, Rockefellers, Fords, Bushs, etc... and Hitler did murder countless millions of Jewish people and Christians, but God didn't let them murder like their evil hearts wanted. And what satan did for evil, God turned it for good.

And ever since, the NWO banksters continue to try many times to destroy this newly-formed Israel despite God's Word and prophecies. But, these wicked people can't destroy it - they are fighting against God. And they're so evil, they don't even care! They believe satan's lies and think they can beat their Creator... How? They are not thinking. But that doesn't stop their greedy evil hearts from searching the globe for other like-minded evil people to promote as 'leaders' in their satanic one-world-govt, called Rockefeller's 'United Nations', sitting on US property, defying the US Constitution, and build on Rockefeller land with Rockefeller money, with Rockefeller hand-picked and groomed 'agents' from around the world. Do you know what topic has gotten the most interest in this satanic UN? Destroy Israel. Blame Israel. Defame Israel. Force Israel back to their 'boundaries' before they soundly won the 1948 and 1967 wars. It's the same evil, diabolical plan. The devil's evil plans repeat themselves again and again. But, the Jewish people always have allies. Who - you ask? Why, of course the genuine followers of Christ who believe the Bible and are working to obey God's command to bless the Jewish people and pray for their peace and tell them of their Messiah who has come! [For all who will listen.] When the Christians pray asking God to protect Israel from her enemies inside and outside, God hears and answers.

So, why have you, as a believer and follower of Christ, not heard this history before? There are a few simple answers to that question. First off, from the early 1900s, the Rockefellers have been vocal about controlling the education system in the US (and now world-wide). They are the ones who secretly use whatever means necessary to force honest teaching companies out of business, if they will not bend to their will. The Rockefellers were the ones who headed up the fake 'govt' department of 'education'. As they (and their man, Hitler) said, if you can control the education, you can within a couple of generations, alter the course of the whole country. And, that is exactly what they are trying to do. And the Rockefellers also control all of the 'history' shows that you find on TV today - all of them are altered from the honest history accounts. They often have a little truth - just enough to draw people in to hear the lies.

And there's a second reason - secret 'court' hearings. I have had many eyewitnesses describe to me how there are secret courts and secret laws, based on the lying late 1800s US Corporation laws, that keep people from talking about the crimes they see - in the government, and/or Rockefeller affiliated companies. The Rockefellers use the secret blackmail system to silence a myriad of things. There is a double-gag-order system that keeps key info that would crash the Rockefeller domination - away from "we the people"... unless you find a citizen journalist in print or online, and/or get to talk to the researchers that are being blackballed and/or they are being threatened or have survived attempted murders. (Yes, it happens more than many people know.)

- To find the truth today, turn off your "*Trash Vendor*" (TV) - you don't need it. Instead search around and find alternative, citizen-reporting journalism and news. [*I list several of my favorites at the end of this article.*] That's how I have found what's really going on, despite the lies, propaganda, and 'official' stories. It takes more time, but if you can find a team to compare notes with, that's even quicker. :)
- Test everything with Scripture - just because something pretends to be 'Biblical' or 'accurate' doesn't mean it is. If something contradicts the clear Word of God, then reduce the credibility you give to that piece of 'news' or 'news outlet'. Keep what matches the Bible, and throw out the rest. The old deceiver has a lot of big lies and half-truths out there. Let the Bible be your magnifying lens.
- And pray to the Lord for wisdom as you study - and He will lead you. How have I found this info? It's been a long 16 years of study... but I'll explain that a little later, with resources you can find and research yourself.

Okay, so now you know back to the question of why Israel is having such a hard time existing. Now, let's look at several other problems that the current Israel and Jewish people face. The Rockefellers didn't stop with WWI and WWII, as I mentioned above. No, their wicked hearts and plans continue to be evil and do evil and hurt the honest and the upright (no surprise there, God's Word talks a lot about that). So, the Rockefellers are a restless evil... and they have many other families that have intermarried into their family and/or in one way or another made life-long partnerships with them. Names like: Fords, Schiff, Warburg, Goodyear, Reynolds, Remington, Dupont, and more. If you see them advertizing with satan symbols, or intentionally putting dangerous stuff in their products, watch them closely, and consider finding another source. At times, you will notice that this all becomes a headful. When it gets to be too much, take a break and come back to it later. And pray about what you can see, and trust God for the rest. Also, find Christians companies, if you can, and buy from them. Also Farmer's markets make are great as well.

Back to what the Rockefellers are doing today. Let me first note that the one-world tycoons meet several times a year, under the guise of 'trade talks' or 'fighting global warming', etc. And they meet in 'exotic' and wealthy places, like Germany, Switzerland, London, France, Rome, Dubai, Bohemian Grove, etc. So, they are a "thinking enemy", as one of their cronies admitted. We are not their enemies - they are humans who need to repent and give their lives to Jesus, or God will punish them for their rebellion against Him and their evil deeds - at the end of time. But, they look at us as their enemies - they seek to control or destroy what they cannot control, and they are pledged (even in their own public statements) to do the evil plans of satan. So, they meet regularly, and they change plans often enough as they seek to get to their ultimate goal - a one-world-govt with them ruling on top, in the shadows. For example, the European Union (EU) was not voted on by the people, it was forced upon them through closed door meetings by bribed leaders. If you look up these groups, often you can find someone honest enough (inside the group or outside) to tell what's going on in their meetings of 'Council on Foreign Relations' (CFR), 'Trilateral Commission', 'Committee of 300', 'Royal Institute for International Affairs' (London), 'Club of Rome', 'Tavistock Institute', 'Rand Corp', 'United Nations', the Rockefeller's 'International Monetary Fund', and a several well-known college 'study groups' [actual think-tanks of evil], as well as their Bilderberg Meeting, and the G4, G5+1, G8, G12, G20, etc meetings. You can find their quotes on their plan for "New World Order". You can also read the Rockefeller's satanic twist from God's holy Ten Commandments (Exodus 20), on the Rockefeller's 'Georgia Guidestones'. These evil people are not shy about their evil - they're demonically-bold. And, we need to rise up with God's strength and arrest and prosecute every one of them we can find, because they are not just hurting us, but they are actively attacking any honest person in their way, including Christians, and more specifically to this study - the Jewish people.

So, the Rothschilds and Rockefellers are always trying to get their one-world-govt, and their latest plan is to raise up Saudi Arabia and anyone who will join them, to create chaos in the Middle East (and they hope) destroy a lot of the existing Arab 'countries' (one way or another) so they can redistrict them according to the Rockefeller map the US military has circulating around. In effect, their plan is exactly what their fellow-crony Shimon Peres called - 'An Israel without borders' and is essentially what will be known as the 'Middle East Union'. All of that is according to their own notes, speakers, and papers.

So next, let's look at 2 other modern problems in Israel.

Kabbalistic rabbis. Most people do not realize that the global banksters are murdering honorable rabbis in Israel. If you hadn't heard it till now, now you have. When you hear a rabbi dying in some random 'terror attack', or a 'sudden heart attack', etc - then you need to keep your eyes open for clues of them having been murdered. So far dozens have been murdered randomly in the last 20-30 years. Some of those murders are more clearly visible than others. The NWO team knows they cannot control the Torah-following rabbis as much as they can control the Kabbalistic (Jewish mysticism) 'rabbis'. The Torah-following, teach the Bible literally. The Kabbalists teach the Torah as allegory. So, let's look at Kabbalah more. It is also called 'Jewish mysticism' and is in essence a form of the 'new age' movement that believes that we, rebellious humans, can become 'god' or have a part of 'god' in us. I have had a few people confirm that these lying rabbis are even changing the texts of the Torah, and teaching a lot of false teaching, and they are considerably the main reason why the Jewish people hate Christians... Most Jewish people don't realize how much honest, genuine followers of Christ actually care, nor do they seem to know enough about what the Bible says to see through the lies and propaganda. Kabbalistic rabbis also promote popular lies like Sabbataenism and a twist on the Noahic Covenant - something called the 'Noahide laws', as

well as the myth of “10 lost tribes”. These are very hard to sort out, but Scripture helps us identify false teachers by their blatant hypocrisy, and their false teaching, and lying definitions. Simply put, because of these false rabbis pretending to be honest rabbis and scholars, the Jewish people, today, don't know much of the Torah, the Prophets, or their Messiah. And, by the way, cities like Tel Aviv are hubs where the NWO-team is funding night-clubs for the youth, and at least one very popular pagan-education 'university' to (they hope) turn the Jewish youth further from the Torah and their Messiah. So, keep your eyes open to this problem in Israel, and the United States.

False 'Christian' ministries. Do you know how many false teaching 'ministries' are in Israel? Even the very popular fake thief and liar, Benny Hinn has an outlet in Israel. It's crazy... Here are some names that you need to be aware of, because these 5 'Christian' leaders have much regular influence in Israel, and their influence is harmful, but keeps the evil global tycoons in control.

John Hagee - CUFI. John Hagee is a very popular false teacher in the US. He runs a 'ministry' supposedly to help the Jewish people, called CUFI (Christians United For Israel). This man is known for his wild false teachings and peddling God's Word for profit. Mr. Hagee also says that the Jewish people can get to Heaven outside their Messiah. Huh? How? Through keeping the law? This man is very wordy and very crafty in disguising his false teaching, but he's still very wrong, and his books show a serious lack of honesty about the whole counsel of the Word of God. He likes to cherry-pick to make the text look like it says the new 'theories' that he wants to sell for money. And, Mr. Hagee's 'ministry' isn't helping Israel, but linking criminals in the US and Israel, all bankster friends. Many details about what Mr. Hagee is doing show that he doesn't know the gospel, only some good words. Having watched his activities for years, I consider him to be a very clear false teacher.

CBN / LU / ACLJ. Mr. Robertson runs a 'ministry' called CBN (Christian Broadcasting Network). Mr. Robertson has been long known for his many false prophecies, his confused 'Words from the Lord', and his false 'healing' ministry, as well as his promotion of any false teacher you can name. Pat and his son Gordon are also very deeply linked with the false teaching of Liberty University and Jay Sekulow (ACLJ - American Center for Law and Justice). Under Jerry Falwell, Liberty University (LU) went downhill spiritually, and just grew in money and worldly popularity, and after Mr. Falwell's passing, it continues on this same path. And, this team here stays in direct contact with criminals in Israel's government, giving them tips on how to use the right words to keep Christians supporting the wrong team (the global banksters and fellow cronies). We used to donate to CBN and ACLJ, but having seen so many uncorrected false teaching and compromises with sin and evil leaders, we cannot support either of them anymore. Mr. Sekulow claims to be a 'Christian', but his fruit shows that he is just a greedy worldly man. We have seen too many examples of where Mr. Sekulow and team could have taken cases that would have easily upheld the US Constitution, and/or easily defended Christians and the 1st Amendment. And hearing his constant conversation on his shows, and who he blocks and what questions he refuses to answer, etc - the only thing Mr. Sekulow is after is money, and he keeps his words short and careful to keep Christians sending him money, as he's working with the wrong team. CBN, Liberty, and ACLJ have an active presence in Israel, but they are all working with the wrong team, and they've been doing it for many years. We can't support them any longer.

Rabbi Eckstein - IFCJ. Then, there's Rabbi Eckstein, who's got so many money connections that he often appears on many 'Christian' channels, including the “*fair and balanced*” FOX news (whom I call the 'Fox' for their many lies and half-truths). But staying on Mr. Eckstein, Mr. Eckstein is excellent at selling you stories and needs so you'll send him money... problem is that most of that money doesn't get to those you send it to help. A person who once worked

for this 'ministry' told me this firsthand. So, after years of supporting this ministry - we can't any longer trust them.

Ari and Shira Sorko-Ram - Moaz Israel. Then, there's Moaz Israel. After we had supported these others and finding their corruption firsthand and/or from eyewitnesses from inside, we realized that there are a lot of crooks in the donation business - something that was confirmed by another man who was part of the donation/help frauds in Israel and determined that most to all are liars. So, with this information, we did more research, and we finally found one that looked really good. So, we wrote them and they sent us promotional material, etc. We liked them, and we supported them for years... until we got to finally meet Mr. Ari Sorko-Ram. It was exciting, and we even went to dinner with him (we paid as a gift). We expected someone who was Biblically alive, who loved the Word of God, and who was honest. What we found was just the opposite after our hour or so dinner and conversation with this man. Needless to say, we were discouraged. But, hearing his false gospel, and his many worldly plans, and lack of care and love for the Bible firsthand... we can't trust them any longer.

The Vatican. And I would be missing a huge piece if I didn't take the time to mention the Vatican and the activities of the 'Pope'. If you know anything about the Bible and what Jesus taught, then you probably know that the Vatican is one of the worst organizations who claims to be 'Christian'. The Vatican and team in Rome have done myriads of murderers, rapes, molestations, all sorts of sexual immorality, blackmail, extortion, Inquisitions, false accusations, torture, etc - against anyone who confronts them, asked questions about why they did so many evil things, or even those who quietly avoided the 'church of Rome' and were trying to get the Bible into the common language of the people. In addition to all of those evils, the Vatican has also been very involved in stealing land from Israel, and working with the Rockefellers and Rothschilds to impose the one-world-govt demands on Israel. The Vatican has met secretly with many leaders, including Benjamin Netanyahu. The key details that show these meetings to be evil, is they hide in secret areas, or behind closed doors, and with no media allowed to report the content of the meetings, except for the very small amount of info they tightly control and release.

So, who can you trust?

From there, we have found it hard to know how to help Israel. **Bridges for Peace** is the closest we know to an 'honest' ministry in Israel who is actually helping the Jewish people. But, we have heard from the inside that they are funded and moved around by the liar, false-prophet, and false teacher Joel Rosenberg. So, we do support them, but we also pray that God exposes the liars who are pretending to be their friends. ~ www.bridgesforpeace.com .

Conclusion on this list: In conclusion on this list, I would like to add that I have met and talked with a variety of people who have lived in Israel and were helping the Jewish people in some form or another. In the process of a good bit of investigation and quite a few conversations, I have found that the honest ministries that are helping Jewish people are usually being blackballed by the lying 'Christian' ministries, the bankster cronies in Israel's government and 'Supreme Court', and the Kabbalistic rabbis. I can only encourage you to ask God to show you how to get help to the Jewish people. If God shows you one, stay prayed up to know how to help them, and how long, and help them as long as you can.

Okay, so the next question: Why are there so many "fights and wars" in Israel? Good question, and yes I'm directly referencing James 4 there. The modern lie that keeps the modern war machine going is this 'war on terror'. It vacillates between 'cold war', 'rouge nations', 'war on terror', and 'alien hoax'. That plan was outlined by another Rockefeller

agent: Wernher von Braun, the Nazi scientist brought over to the US by the Rockefellers and Bushs to use to start some of their military schemes. After having worked with their evil agendas for decades, Mr. von Braun became disgusted with their evil plans and lifestyles, and he documented some of their evil plans to his confidant to be released after his death, so more people could know how evil they were.

How does this tie into Israel? Good question. If the Arab/Israeli conflict didn't exist, there would be no (or little) disturbance in Israel, and by extension - very little conflict worldwide. If Israel was allowed by the demon-driven global banksters to actually crack down on the NSA/CIA funded and trained Arab forces, including the 'Palestinians', then there would be no conflict. It's only because the corrupt leadership running Israel works with the Rockefeller team and plans to keep playing the 'peace talk' games, that this conflict never stops. Evil people in the shadows are why this conflict never ends. Simply put: no conflict in Israel, no 'war on terror', and no excuse for a never-ending war (as the Rockefellers describe themselves). It's that simple.

But, since we're on the subject, who are these so-called 'Palestinians'? Simply put - they are nothing but a collection of Arabs from the Arabic countries surrounding Israel. You see, we need to honestly review history for this to all clear up. You remember when the Jewish people were coming back to their land and buying back the wasteland from the Arabs? Well, just like God promised, the land blossomed and bloomed and produced fruit for the Jewish people (Isaiah 35) - nothing had been seen like this for centuries. God's blessing is clearly with the Jewish people, though sadly few of them know why or how to rightly use the blessing/favor. So after the Jewish people had been gathering there in Israel during and after WWI, the British who dominated this territory realized that they needed to/wanted to stop the real Jewish people from getting to their homeland, because it was messing up their Arab Union plan. So, when they couldn't stop them after WWI and during and after WWII (*and because too many Christians were supporting the Jewish people and their need to be allowed to restart Israel, according to the prophecies to Abraham and the prophets*), the London Rothschilds had to give in. But, they did it with a twist. They set up a small puny government system with a 'living' constitution, and everything looked fine (on the surface). No one really noticed at first that the Rockefellers were working overtime to create 'Arab nations' and arm them and send them to try to destroy the people of Israel. But, on cue, the Arabs attacked Israel and were beaten back soundly.... but, what happened right before the Arabs attacked is **very** significant.

In early 1948, the Jewish people, having just been through the ravages of two NWO world-wars, were savvy and alert enough to hear and realize that the Arabs (unprovoked from the Israeli side) were about to attack Israel. So, the Jewish people were gearing up everyone for the fight, and welcoming everyone who was there to stay and join them and be a part of the new Jewish state. The Jewish people were even encouraging the Arabs who had been living in the land to stay and get citizenship in the new nation called 'Israel'. But, these Arabs believed the whisper-campaign of lies and propaganda from the Rothschild/Rockefeller NWO team that they would have more abundance if they left and let the Arab armies kill all the Jewish people first. So, the Arabs left their homes and went to Jordan and other Arab countries. After the Jewish people, with God's divine help, defeated and destroyed the Arab military equipment. So now, the Rothschilds and Rockefellers created a new lie for the Arabs - that they were 'displaced'. So, the Rothschilds and Rockefellers gave funds to encourage many thousands of Arabs from any Arab country to come and gather in and near Israel and create 'refugee camps' where they created the illusion of being 'refugees'. And thus another lie was

born. These gatherings of random Arabs were now called 'Palestinians', but this group of people have never existed. Yes, there were a tribe called the Philistines, but I have not seen anyone try to make a strong case that they are related. Simply put: the 'Palestinians' **“right of return”** is a giant hoax of the devil. And yet, that phrasing and agenda has been in every 'peace' plan the Rockefellers and their 'United Nations' have ever offered. It's lies upon lies. The Jewish people always take care of the Arabs around them, even when the Israeli corrupt leaders are playing other games. Yet, who always gets blamed? The honorable Jewish people. It's no surprise though to those who know their Bibles, because Israel's chief Rabbi, Yeshua, said it about satan, almost 2000 years ago: that satan is the liar and father of lies (John 8:44).

But this history gets more interesting... and painful. Because the Rothschilds and Rockefellers are determined to use the Arabs in one way or another to destroy Israel and keep moving toward their one-world-govt. So, the Rockefellers have been directly involved in making sure these groups of Arabs, called 'Palestinians' get large amounts of free money regularly, and all the Israeli people get is loans. And, the Rothschilds and Rockefellers are very careful to make sure that the 'education' that the children of these Arabs get is always geared to hate the Jewish people (for no reason). And the Rockefellers have (it seems) finally gotten all of the mainstream press to believe their lies and be part of the propaganda machine against the Bible and God's covenant with Abraham, Isaac, and Jacob. Do you remember me saying earlier - follow the money? As you can see, this is indeed true. I encourage you to study this out for yourself. You will not hear the truth anymore on any of the 'media' outlets on the 'Trash Vendor' (TV), only half-truths and flat out lies. The two common lies most often repeated are A) Israel 'stole' the land, and B) Israel 'refuses' to try to be peaceful.

And then, we have the situation about the 'Khazars'. This is a tricky one. The discussion of whether the 'Ashkenazi Jews' are as Jewish as the 'Sephardic Jews' gets into subjects of DNA and who can prove what heritage... but many who are criminals also know how to forge papers. As you can see, this may be an important problem, but it's really hard to work through and solve (more on this in a minute).

Other confusions in Israel that most Americans don't know:

Most people don't realize that the current Israeli leadership is wrongly turning away actual Jewish people from coming into Israel, or that they are actively persecuting the Jewish settlements, or that they are trying to get more Arabs to build in the land of Israel. Most people also don't know that these same liars also use trick-words with double-meaning. For example, I know some people in the US are glad to see that the size and number of settlements are actually growing... or so they numbers seem to say. Many don't realize that the word 'settlements' now also includes Arab 'squatters'. If you watch honest real-time reporting from Israel National News and a couple of other sources, you will notice that the Arab 'settlements' in Israel are growing, but the Jewish settlements in Judea and Samaria are being systematically destroyed and the people driven out to go somewhere else. Even the Israeli 'Supreme Court' is constantly on the attack against honorable Jewish settlements, especially those in Judea, Samaria, and Aza (Jewish name of Gaza). These 3 areas are know as Yesha = Yehuda, Shomron, and Aza. And this note on the Yesha areas needs a paragraph of its own.

If you read or hear the New Testament much, you hear names like Judea and Samaria as well as the Jewish people who lived there pretty often, especially in Jesus' teaching years. Skip to today and you'll find that those lands are being populated by Arabs. Why? Because it's part of the Rockefeller's game. And for that history, let's go back to the 'peace' process, and a man

named Yitzhak [Isaac] Rabin. Yitzhak Rabin was a corrupt politician, as we would find some here in the US, as well. But, Mr. Rabin had his limits. When the NWO team was demanding that he submit to their 'peace' plan, he said no. So, they threatened him, and so he backed down on his position of 'no' slightly. He was still in regular discussions with them, but apparently he was fighting the Rockefeller's plan so hard that they murdered him. Yes, you read that right. These same evil people also murdered Mr. Arafat when they had used him as much as they could, and then removed him to make room on the stage for the next face, Mr. Abbas. And these evil people also murdered Ariel Sharon (and kept his vitals working) because Sharon did a little for their evil 'peace' plan, then was fighting their evil plan again. The details of why the Rockefellers murdered Rabin, Arafat, and Sharon are all slightly different - but they are generally the same: the NWO team demands to keep the 'peace' plan making progress toward a 'one-state' solution, meaning 'Middle East Union', and each of those leaders became obstacles in the 'plan', so, they were murdered.

Here is a quick review of why they were murdered. Mr. Rabin had long been clear with the Jewish people not to give away their land. And despite the pressure, blackmail, and threats of the global banksters, he mostly held his ground, and popularity with the people. So, when the Rockefellers couldn't move him, they murdered him. Mr. Arafat was a pretty evil man and it shows up in some of the recordings you can watch of him. All smiles, yet cold-hearted and ruthless, just like the Rockefellers. But when Mr. Arafat was not able to convince or coerce the Israeli leaders to give more prisoners for 'peace' or other helpful details in the Rockefeller plan, they murdered him by poisoning and tried to cover it as 'old age'. Mr. Sharon's story is deeper... and more painful. Ariel Sharon was a highly-decorated war hero who was in Israel from the time it was 'reborn' as a nation. Mr. Sharon served in the 1948 war for independence, the 1967 war (6-Day War) and the 1973 war (Yom Kippur). The Arabs started all of those, and God helped the Israelis defend themselves. Mr. Sharon had always had an agreement with the Israeli Jewish people - if he were one of their leaders, he would never give away their land. That promised was broken once, due to immense pressure and every form of coercion from the Rockefellers and Bushs.

Mr. Sharon was able to hold his strong 'no' position to giving away land, until George W. Bush had a bribery/coercion specialist in Israel day-in and day-out for 4 years. Finally, Sharon agreed to 'unilaterally' pull out of settlements in Judea and Samaria - with nothing to gain except a pat on the back from GW Bush, an enemy of the Bible and Israel. ***(Remember the Bush family worked with Hitler during WWII and did many other evil things, including GW Bush publicly celebrating Ramadan on White House property all 8 years.)*** So during the summer of 2005, Mr. Sharon had the hired-Russian troops rip, drag, and pull the Jewish "settlers" from their own homes that they built on their own properties, within the clear boundaries of modern-day Israel. Most of these families never got homes, despite the liar GW's promise that they would. If you ever heard the name, Gush Katif, that's what it is talking about - the 'Expulsion' or 'Disengagement' as it is known by both names. And that's how the whole 'peace' plans have always been for Israel. In the span of 10 years, Israel even released 2000 prisoners in exchange for 'peace'. They did have to deal with those some of those violent prisoners again, but they didn't get any peace from it. And giving up land has always been the same way - Israel gives, gets nothing in return. That's how the Rothschilds and Rockefellers make deals. Israel needs to only elect leaders who will say no to the NWO team.

And lastly to another problem that is actually used to divide the Jewish people. If you've ever heard of the name 'Khazar', that is on the topic of which 'Jews' in Israel are real or not. The subject has been, for years, whether the Ashkenazi Jews are real or not. The Sephardic have

been easier to trace throughout history because of their direct lineage and DNA. But, the question has been if the Ashkenazi Jews from Europe are real Jews or not. Having read some DNA research on the issue over the last several years, I think the question is not whether the Ashkenazis are Jews or not, but who is trying to divide the Jewish people, so that they cannot join together and go after the banksters. I believe both groups are apparently and/or quite possibly equally Jewish, and the DNA proves that are the same family. So, that research helps me be more clear, cause it does confuse a lot of people (even me for a time). So, the problem I see now, is not ***"Are the right Jews getting into Israel?"***, but ***"Who are their leaders serving, working with, and meeting with behind closed doors and why?"*** We need to help the Jewish people start looking closely at their leadership who is selling them out. Maybe the Jewish people are tired of fighting. I can understand that. But, if we who love the Word of God and the Jewish people, help them, they can (hopefully) start to correct and dismiss and properly deal with traitors and hypocrites inside Israel, and outside Israel.

We are mostly done with this review, but I need to cover one more big topic, before the conclusion and then a list of resources and links, etc.

>> All of the funding that has been given to Israel, that I have researched, has always had strings. Israel is not getting 'free money' from the US, and from what I have researched - it seems, they never have. Almost all of the money is in the form of loans - not donations. And all of these 'loans' have requirements, which are in keeping with moving the Jewish people closer to accepting the Rockefeller's 'Middle East Union'. It's hard being Jewish and in Israel. It's very hard. They need us who love God's Word and hold to God's promises to them - to support them, however we can. That does not mean support evil actions of their leaders. No, we must help them and join them in holding criminals in their leadership accountable. But, we also need to bypass these fake 'Christian' ministries in Israel, and find ways that we can help them directly, so that we are fulfilling God's command to us to pray for the peace of Jerusalem and to be a blessing to them.

In conclusion, how did I find this info? One step at a time, and you can find it that way too. Do I have it all figured out? No, I don't know for sure that I do. But I do know that I'm working to make sure that I sort through each piece to find out what's honest and what is not. And I do think what you have read here is a semi-thorough and accurate review of history, that matches both God's Word, current events, and actual eyewitness accounts from Israel and those connected to them. Some of this has been explained to the INCPU news team - directly by those who were first-hand eyewitness. Some of it has been explained to us by brilliant researchers. Some of it has just been our own gleanings over the last 16 years watching the news several times a week, including Israeli news, and praying.

Resources I/we trust:

My journey into studying and understanding what is actually taking place in Israel started even before going to Israel someday was on my mind. You see, back when I was ready to graduate from high-school, God put on my heart to go to Israel someday, and help their needs, and share about their Messiah to whomever is interested. That was just the start. While I was in high-school, my family would keep track of Israel news. And when Israel became a key interest to me, they let me do the study and share with the family on what was going on in Israel. For a while I watched several of the Jewish news sites... but found most of them to be dishonest. I found three to be the most honest, though,

- > Arutz Sheva - www.israelnationalnews.com
- > Israel Today - www.israeltoday.com
- > Ynet News - www.ynetnews.com

Arutz Sheva (Channel 7/IsraelNN) used to report real-time news, even up-to-the-minute during the 'disengagement'. But the NWO team threatened them through 2 or 3 cycles, so they are not allowed to say as much anymore. I still believe them to be the best of the Jewish news sites I find online today. ~ <http://www.israelnationalnews.com>

Israel Today is a Bible-believing organization that seeks to help the Jewish people keep defending and holding the Land God has given them, as well as helping the needy in Israel. ~ www.israeltoday.com

YNet News is a secular organization who reports some news items in Israel that you won't find other places. And for that reason, I appreciate them. ~ www.ynetnews.com

NewsWithViews

These 3 have been my/our favorite news sites for Israel news back then, and they still are pretty good - not as good as they were back then, because big-money has hushed them some. But, we were keeping up with these sites and praying, and then GW Bush got into power. And even though he said he was going to help Israel, move US embassy from Tel Aviv to Jerusalem, etc - Mr. Bush did the opposite, right from the time he got in office in 2000. He instantly was putting pressure on Israel to give up land and release enemy attackers for the Rockefeller's fake offer of 'peace'. Then between 2004 and 2005, we literally watched GW, Condi Rice, John Wolfe, and many others wear down Mr. Sharon... it was heart-breaking, because we could see some of the stakes involved, and there was nothing we could do to stop it. All of the churches we were communicating with about needing to support Israel told us to go away and be quiet. And at the time, it seemed that so few Christians either knew or cared about what was going on, because the real-time up-to-the-minute reporting of Arutz Sheva was showing what was accurately going on... and we watched FOX 'news' (that I now just simply call: "***the Fox***") because they lie and twist all of it, to put pressure on the Israeli people to keep giving up land and go with the NWO team's plan. It was/is heart-breaking. About that time, I started finding and researching the information and journalism of the team at www.newswithviews.com. They have a few infiltrators since then, but they still have some who are honest to what is really going on in the US and around the world, including exposing the variety of evil plans and activities of the Rockefellers and company.

Barry Chamish

And then, about a year or two after that, I ran across a Jewish researcher, by trade. I asked him some questions by email after I read one of his articles. He wrote back, and from that, we became friends. His research on the banksters who run Israel and were dealing wrongfully with the settlements, and his research on the murder of Rabin were just a few things we learned from him along the way. And, very quickly, I also found that I was able to help with his email and website. So, for 3 years, I did just that. He was attacked in many little ways - some of them traceable back to the Mossad, to shut him up. Then, because of his poor diet, he got sick and almost died in the hospital, we did all we could to save his life at the hospital. Shadows behind the scenes almost murdered him - we watched it. But, when we got the word out, the danger disappeared as suddenly as it had appeared. Mr. Chamish is still alive and educating with what info he can find. He moved shortly after this and we haven't been in touch as much since. ~ I do encourage you to check out his research. Some of it is odd, even to me. But much of it has history and details to be gleaned from to learn what is actually going on in Israel. Mr. Chamish has had at least a few attempts on his life. ~ www.barrychamish.com

From there, we have studied more things, and I went back and have been doing more study on what the difference is between the Abrahamic Covenant and the Mosaic Covenant is, and why some prophecies seem to say God has abandoned the Jewish people, and other say He will restore them. Having done a bunch of study on that, I now see that the Abrahamic Covenant is clear in the text of Genesis 12,15,17 that God made an unconditional covenant, including the land with Abraham, and his descendants through Isaac and Jacob. The Mosaic Law/Covenant was about blessings for obedience, and a curse for disobedience - it's purpose was different and it did not annul God's original promise to Abraham. And, as you have seen in the recounting of history above - God is the One who restarted the rebuilding of Israel, according to His promises. The Rothschilds, Rockefellers, and the Vatican are just trying to take the credit for something they didn't do. The deceive, satan, is always trying to counterfeit what God does, to accomplish an evil agenda. And, that's how satan's partners work too. We need to check everything with the Word, and make sure that when we take a position that we aren't going on popular info or popular opinion, but on the Word of God alone.

- Mark A Gabriel's books are very helpful for finding out what Islam honestly teaches. He was the top professor at the top Islamic University in Egypt, and the top professor of the history of Islam, when he asked too many questions, and got driven out, and that's when he says he found Christ. Very good research. You can find some of his books on www.amazon.com or www.alibris.com.

How can you pray for Israel? Great question! Pray God exposes, tears apart, and scatters the evil plans of satan's team. And that God would raise up more Christians to abandon the fake 'Christian' leaders and find tangible ways to help, support, and serve the Jewish people - in Israel and abroad.

Concluding verses to remember:

“[God said to Abraham] I will bless those who bless you, and I will curse him who curses you, and in you all the families of the earth shall be blessed.” (Genesis 12:3)

"⁷The angel of the LORD encamps all around those who fear Him, And delivers them."
(Psalm 34:7)

"Pray for the peace of Jerusalem: 'May they prosper who love you. Peace be within your walls, prosperity within your palaces.' For the sake of my brethren and companions, I will now say, 'Peace be within you.' Because of the House of the Lord our God, I will seek your good." (Psalm 122:6-9)

"I, the Lord, have called You in righteousness, and will hold Your hand; I will keep You and give You as a covenant to the people, as a light to the Gentiles." (Isaiah 42:6)

"For He shall grow up before Him as a tender plant, and as a root out of dry ground. He has no form or comeliness, and when we see Him, there is not beauty that we should desire Him. He is despised and rejected by men, a Man of sorrows, and acquainted with grief. And we hid, as it were, our faces from Him. He was despised, and we did not esteem Him. Surely He has born our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by God and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed. All we like sheep have gone astray, we have turned everyone to his own way, and the Lord has laid on Him the iniquity of us all." (Isaiah 53:2-6)

"In the beginning was the Word, and the Word was with God, and the Word was God... And the Word became flesh and dwelt among us, and we beheld His glory, as of the only begotten of the Father, full of grace and truth... 'Behold the Lamb of God, who takes away the sins of the world.'" (John 1:1,14, 29)

"For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Greek." (Romans 1:16)

"How then shall they call upon Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent? As it is written 'How beautiful are the feet of those who preach the gospel of peace, who bring glad tidings of good things!'" (Romans 10:14-15)
