A Modern Brief Review of What Led Up to the Events of WWII

Reporter: Steven Henry

www.incpu.org

Greetings brothers and sisters in Christ, and fellow concerned citizens!

In this country, it's well-known (or used to be, at least) that those who are unfamiliar with history are pretty much going to repeat it because of the ignorance which reduces their ability for discernment. With that being the case, I think a little review is needed so that more people can be aware of what's really going on, watching and praying, and with the hope and prayer that we don't repeat history. So, with that said, let's review :)

Many today are believing the lie that one man (**Mr. O**) single-handedly is running the show and doing massive treason against the US and the Constitution all by himself. It's a lie that articles, the 'mainstream press' and movies like 2016 subtly drove into people's minds, while exposing only some of the evil things about Mr. O that really did need to be exposed. And, you'll probably be glad to know that the real stats (including the number of people who voted for someone else, and the exit polls) show that a majority of US citizens did NOT vote for Mr. O - it was rigged by the Diebold vote - flipping machines - a scandal that includes both Mr. O's team and money* and Romney's team** and money. Vote-rigging, btw, started back with the second term of George W. Bush. If you do an internet search, the research with names, should still be available. One key name to look up would be a guy named Clint Curtis*** who exposed it, from the inside.

**** Romney Vote Rigging Now Possible: Bain Capital Acquires Voting Machines**

<http://freedom-articles.toolsforfreedom.com/romney-vote-rigging-now-possible> - to avoid getting caught, they tried to hide Romney's side in this, and try to portray Mr. O as an out-of-control man in power that no one can seem to stop... which is another lie to hide who's really behind the scenes, giving bribes, and silencing those who are exposing the truth.

- Filling in the details a little more, Clint Curtis actually ran against Tom Feeney for 2 election cycles, but this last one he was apparently told to become quiet, so he's gone under-cover and neither Feeney nor Clint won this last election.

>>>

Okay, so with that intro, and having given you a few links to do your own research (if you wish), I'd like to get back to where we find ourselves today. The lone-man-leader lie is the same lie that they heard about Hitler, just like the 'lone gun-man' lie is so often used, when there are usually at least 2 shooters. And, the 'lone bomber' lie is also used many times too, ignoring the other accomplice(s). Yet, when you study out the facts and see eyewitness testimony, photos, and video information, you see that the 'official story' is never right - there's key information that is getting ignored and/or covered up.

So curious - did you know that there were many corporations that worked with Hitler, because of the huge amounts of money they made? Most people don't know that. Yet, here's just one link referencing evidence:

11 Companies That Surprisingly Collaborated With the Nazis

www.11points.com/News-Politics/11_Companies_That_Surprisingly_Collaborated_With_the_Nazis

So, as you can quickly see - it's not a lone man, it's a team of evil people committing treason. In the case of Hitler, it included Henry Ford, IBM, Kodak, Volkswagen, and the Rockefeller-owned Chase bank - just to name a few (*article above lists some more with links*). And while these elites and big evil corporate CEOs like to think of themselves as 'gods' and above the law, the truth is they're not 'gods' and they're not above the law. They are humans like you and me, only they're driven to do evil with a lust for greed of money or power/control. But, the good news there is that God grants His blessing and protection to those who expose and stand up to evil, because they are obeying His Word. God, through Paul's letter in Ephesians 5, says it this way **"And have no fellowship with the unfruitful works of darkness, but rather expose them."** (Ephesians 5:11) And in Proverbs, God reminds us **"When the righteous are in authority, the people rejoice; But when a wicked man rules, the people groan."** (Proverbs 29:2)

In Ecclesiastes, God teaches us that when evil isn't either corrected or rebuke immediately, many others set their hearts to do evil too. **"Because the sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil."** (Ecclesiastes 8:11)

As you can see, it's pretty clear that when evil is not corrected swiftly by those who are in authority or those observing it, men and women - by nature, push to do more evil. And God's Word shows how He shows His blessing on those who stand up to evil:

"He who says to the wicked, 'You are righteous', Him the people will curse; Nations will abhor him. But those who rebuke the wicked will have delight, and a good blessing will come upon them." (Proverbs 24:24-25)

"Those who are sinning rebuke in the presence of all, that the rest also may fear." (1st Timothy 5:20)

"... This testimony is true. Therefore rebuke them sharply, that they may be sound in the faith..." (Titus 1:13)

The problem today isn't that we have a lack of righteous people, but because those righteous people want the righteous to lead - but they don't want it to include them. That sounds familiar doesn't it? And yet, even the US culture talks about that with their popular line - ***'All that is necessary for evil to triumph is for good men to do nothing'***. Jesus reminded us that there is none good, but God (Matthew 19:16-17+), but we do need the righteous to stop waiting for someone else to lead. Instead, we need as many righteous men and women that there are in the US (and in the world) to finally stand up to evil, and seek to bring appropriate judicial punishment on crimes and evildoers. That isn't going to be a quick process, but we need to start pressing that direction. Yet, we need to not do this out of an attitude of revenge, just in the healthy fear of the Lord, opposing evil and upholding righteousness. So how about you? Are you in?

+ **"Now behold, one came and said to Him, 'Good Teacher, what good thing shall I do that I may have eternal life?' So He said to him, 'Why do you call Me good? No one is good but One, that is, God. But if you want to enter into life, keep the commandments.'"** (Matthew 19:16-17)

I pray you think and pray about your part and that you grow in boldness in standing up to the evil you see.

More encouraging news - many people do not realize that many US citizens in the US military and government positions are just waiting for the US people to stand behind them, so that they can start making arrests and prosecuting the evil people. Learning from history is what we all need to do - so that we don't repeat it. Most of the righteous people in Hitler's day were never caught most of the evil-doers sadly, because the people didn't keep pursuing them to bring justice on them. And yet, look

around - we have the same problem today. Today, we have many banksters, satanists, etc who are working behind the scenes and doing the evil deeds that they are trying to place the majority of blame for - on Mr. O. We need to arrest all of those involved, criminals on the '*republican*', '*democrat*', and '*independent*' sides - and lobbyists, and other accomplices.

We're getting to the crunch point that Germany had in the late 1930s. Many of the Christians in Europe were destroyed or murdered because the righteous in Europe and the US didn't stand up to the evil around them. And along with them, many Jewish people and others were also mass-murdered. I think we're at a crunch time just like that, here in the US. We're at a dividing line - will we (each of us) purify ourselves and our own life-styles, and then stand up to the evil we see? Or - Will many honorable people lose their lives because they didn't stand on what they know is right? Remember, standing up to evil isn't some ideal thing - it's simply growing in obedience to God's Word, and learning how to gently, graciously, or boldly correcting lies, exposing false teaching and helping people out of those. And it includes pointing out intentional rebellion you see around you, and asking God - *in prayer* - to bring trouble on those who are doing what is wrong. See, that's not too hard, is it? :) I know some of you already do that, and I thank God that you do! :) And it's something that we need to keep growing in it. But, I also know that I'm probably talking to some people who aren't yet doing that, but we need you to. Please also remember that God won't require you to do more than you can handle - only obedience in what He places in front of you. If you need wisdom - ask Him! He doesn't rebuke us in any way, when we ask Him for wisdom. **"If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him."** (James 1:5)

God offers us both a big encouragement, and even a subtle promise in 2nd Thessalonians - a passage that needs to motivate us. **"For the mystery of lawlessness is already at work; only He [the Holy Spirit] who now restrains [the antichrist] will do so until He is taken out of the way [literally - steps aside]."** (2nd Thessalonians 2:7) If you get away from popular stories, and just literally study the Word of God, you can quickly see that we are not yet in the tribulation, but in the church age - and the Holy Spirit is still actively saving people and there is no antichrist on the scene - yet. And, in this church age, the Holy Spirit is restraining lots of evil that the antichrist and his system want to do, and will do during the Tribulation - but can't do now. And, we see a subtle promise in this passage that He will help and protect us, as we stand more on His Word, and stand up to evil. I strongly believe and am expecting God to allow us to arrest and prosecute many of those who are getting ready to try to mass-murder the honorable in this country. And I praying for that day and expecting it to possibly be soon. All we are waiting for is more men and women who love God's Word to stand up. If you're already standing and growing in this - God's richest blessing be with you, and thank you! If you're not yet, when will you start? Today? Mañana? [Tomorrow?] I'm praying God raises up many to stand with us, and the sooner the better. Thank you for considering this request! :)

Here's a passage that doesn't get talked about much.

"Do not say, 'A conspiracy,' Concerning all that this people call a conspiracy, Nor be afraid of their threats, nor be troubled. The LORD of hosts, Him you shall hallow; Let Him be your fear, and let Him be your dread." (Isaiah 8:12-13)

As we look at the context of this verse, we see that God was using Isaiah to preach against the sins of the rebellious people of Israel, but they were hardening their hearts in their rebellion. And, they even went so far as to call God's warning of swift consequences if they didn't repent soon - 'a conspiracy'. God then taught Isaiah not to disregard His rebuke as a 'conspiracy', and then encouraged Isaiah to keep preaching, and to not worry about the threats of those who didn't want to be told their evil deeds were wrong.

God commended the sons of Issachar (one of the 12 tribes of Israel) for them studying God's Word enough to be able to identify the signs of the times.

"... of the sons of Issachar who had understanding of the times, to know what Israel ought to do, their chiefs were two hundred; and all their brethren were at their command..." (1st Chronicles 12:32)

And in Revelation, God offers a blessing at the beginning and end of the Book of Revelation - to those who study Revelation, take it literally, and learn from it how to grow in fearing and obeying the Lord.

"Blessed is he who reads and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near... Blessed are those who do His commandments, that they may have the right to the tree of life, and may enter through the gates into the city." (Revelation 3:1; Revelation 22:14)

God didn't make understanding His Word too hard for us. We have some false teachings out there that make it more confusing, but God says that we can ask Him for wisdom, and I think we, as a body of Christ, need to continue discussing end-times events and prophecies and finding a picture that fits the whole pattern of His Word. That's food for thoughts for you and me to think on and get back to later ~ :)

Before I wrap this Bible study/news note up, I want to cover a little history on a family you'll recognize and the details will surprise you, but they will also help you to more easily identify and recognize things as you understand them and see the info. So, let's look at this.

Here is some more history that you need to be aware of. Did you know that the Bush family was involved in making millions from the murders of millions in the Holocaust, and splitting the money with Hitler? As I mentioned above, no evil man can do mass-evil all by himself. No, he has to have a team of not only willing accomplices, but also a team of fellow willing and thinking traitors to work alongside him to accomplish those evil deeds. This is research that you may not know, but you need to see.

Many who watched Hitler doing so much evil, have never heard about Prescott Bush's involvement behind the scenes - crimes and mass-murderers for which he wasn't ever really caught or prosecuted for. Who is Prescott Bush? He was George H. Bush's dad and George W. Bush's granddad, and one of the most evil people alive during his day. John Loftus exposed Prescott Bush's and the family's crimes during World War II in the link below. Who is John Loftus? He is war-crimes prosecutor, and Mr. Loftus has never been dis-barred for his info, because he was right and because he had the solid evidence. Instead, the evil people, like the Bush family just tried to silence, downplay, and distract people from his research.

How the Bush family made its fortune from the Nazis

www.tetrahedron.org/articles/new_world_order/bush_nazis.html

Does this information surprise you? It's probably something a lot of us need to see again - Well, I'm sorry if it does both you. It bothers me too, and I was fooled for a long time too, but this is true history. And, if you think about it, this isn't too hard to see. You may remember that it was George H. Bush that first used the words 'New World Order' in his statement to Congress in 1981. Most people also didn't realize what he was saying - but, having such close ties to the Rockefellers and the global elites, he was actually speaking for them - with a boast, which we can claim in prayer that God opposes :)

Here's the quote from George H Bush, so you can see it for yourself:

"... We stand today at a unique and extraordinary moment. The crisis in the Persian Gulf, as grave as it is, also offers a rare opportunity to move toward an historic period of cooperation. Out of these troubled times, our fifth objective -- a new world order -- can emerge: a new era -- freer from the threat of terror, stronger in the pursuit of justice, and more secure in the quest for peace. An era in which the nations of the world, East and West, North and South, can prosper and live in harmony. A hundred generations have searched for this elusive path to peace, while a thousand wars raged across the span of human endeavor. Today that new world is struggling to be born, a world quite different from the one we've known. A world where the rule of law supplants the rule of the jungle. A world in which nations recognize the shared responsibility for freedom and justice. A world where the strong respect the rights of the weak. This is the vision that I shared with President Gorbachev in Helsinki. He and other leaders from Europe, the Gulf, and around the world understand that how we manage this crisis today could shape the future for generations to come.

The test we face is great, and so are the stakes. This is the first assault on the new world that we seek, the first test of our mettle. Had we not responded to this first provocation with clarity of purpose, if we do not continue to demonstrate our determination, it would be a signal to actual and potential despots around the world. America and the world must defend common vital interests -- and we will. America and the world must support the rule of law --

and we will. America and the world must stand up to aggression -- and we will. And one thing more: In the pursuit of these goals America will not be intimidated... ”

(You can read the clip here: www.sweetliberty.org/issues/war/bushsr.htm)

It's not hard to see that he isn't talking the God of the Bible, and the world's view of 'utopia', and he's talking about the are not the 'rule of law' of the US Constitution, but the rule of the 'new world order'. As you saw above, the Bush family has been deeply connected to the Rockefellers and team for a long time, and have made many millions from those connections, not to mention the 20+ year family ties to the Saudi Royal family too. ****

And, there's one more Bush family member that you need to know about - for those who don't already know this information. George W. Bush, as you may remember, continued much of what his dad did, to an even more pervasive level of evil. If me saying that surprises you, then please allow me to review some facts and historical events in the 8 years of G.W. that you might have forgotten.

<http://thecaucus.blogs.nytimes.com/2009/09/01/the-white-house-celebrates-ramadan/?pagewanted=print>

> Although GW ran on the campaign promise to move the US embassy from Tel Aviv to Jerusalem, he delayed it every 6 months - that's 16 times in total. Moving the US Embassy to Israel's capital of Jerusalem would have gone against the Rockefeller/Rothschild 'peace-plan' and made his Arab buddies mad, not to mention messed up his lucrative oil deals.

> While G.W. touted the 'faith-based initiative' as good and talked about how it 'opened doors' for the moslem, Jewish, and Christian communities to do more 'good' for the people, in reality - the program did the reverse (at least for the Christians).

-- faith-based funds (and homeland 'security' funds) to build and secure mosques in the US and Saudi Arabia (at least)

http://usatoday30.usatoday.com/news/nation/2006-03-09-faith-based_x.htm

-- GW drove Christians and Bibles more so out of the prisons and 'public' schools. In the prisons, they were replaced by imams and the 10 Commandments were removed from the schools.

-- In 2005, GW and his team harassed Ariel Sharon to the point where he finally cracked and turned on the Jewish people and committed a severe atrocity against his own people by removing them from their own homes and farms built on Jewish-owned land. It was called the 'expulsion' and the US bulldogs were accomplices in this evil deed are names you'll recognize. This team included: Condoleezza Rice, William Frazier III, James Wolfensohn, John Wolfe, John Negroponte, Karl Rove, and Paul Bremer.

In review, many aspects show that we look a lot like we're in Germany, right before the holocaust, and the reason I mention this to you is because we need you and me and many others like us to purify our lives, and stand - watching and praying. Will you join us? For those who are doing this already - thank you again! May God's Word and these and other facts motivate us to reach out to others. For those of you who haven't joined in yet - Please consider my request! Thank you! Praying for you! ~

~ sharing and praying, SH

So what do we do?

First off - don't panic.

Secondly - keep your eyes and ears open to more than just the 'mainstream press'.

And most importantly - keep praying for your family, your friends, and your country, as well as studying God's Word, getting ready to see God, and sharing His Word with those you meet. That's what we're supposed to be doing. ~ We're praying that God gives you wisdom and open-doors to reach people with the message of Jesus Christ in these dark hours. ~

Thank you for caring and praying!
