

## Please don't wait to speak up against big criminals

Nine large corporations own all 430+ 'mainstream' news outlets. If Americans are waiting for those corporations to expose each others' crimes or big-money criminals in gov't posts, or if they are waiting until they understand all the CFR's evil plan before they speak up against what they can see, then they are waiting too long. Americans need to identify the 'Council on Foreign Relations' (CFR) as another illegal global-money organization that has infiltrated many gov't posts, & is actively trying several NWO ideas. If they succeed, they stand to make much more \$\$\$\$. The demons are itching to start their 666—"New World Order", but the Holy Spirit is resisting the man of lawlessness until after the rapture. After the rapture, God will let Satan and the One-World gov't do all that Revelation says they will do for 7 years. - (2<sup>nd</sup> Thessalonians 2:6-7). Those big-money Elites are playing to win it all or lose everything, but it's not time yet and they're vulnerable. They hit big money in Germany - Hitler captured whole families & Prescott Bush found their money. George H. Bush found a way to rob the Savings & Loans. Bill Clinton, George W. & friends found ways to clean out the money from the stock market & got everything ready to crash the economy when the bankers decide the time is right.

## Prayer points and verses

Please remember these verses as you speak up and pray for our country:

"... My son, do not walk in the way with them. Keep your feet from their path, for their feet run to evil and they hasten to shed blood. Indeed, it is useless to spread the baited net in the sight of any bird; but they lie in wait for their own blood, they lurk secretly for their own lives. So are the ways of everyone who gains by violence; it takes away the life of its possessors." - Proverbs 1:15-19

God made this promise to Abraham, the father of the people Israel: "And I will bless those who bless you, And the one who curses you, I will curse. And in you all the families of the earth will be blessed." - Genesis 12:3

"When a man's ways are pleasing to the LORD, He makes even his enemies to be at peace with him." - Proverbs 16:7

"The angel of the LORD encamps all around those who humbly fear and obey Him, and delivers them." - Psalm 34:7

"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." - 2nd Chronicles 7:14

Jesus said: "Whoever desires to be My disciple, let him deny himself, and take up his cross daily, and follow Me. For whoever desires to save his life will lose it, but whoever loses his life for My sake and the gospel's will save it. For will it profit a man if he gains the whole world and forfeits eternal life? Or what will a man give in exchange for his soul?" - Mark 8:34-37

## Obama & CFR

Obama is the latest PR spokesman for and puppet of the 'Council on Foreign Relations': "Is it any wonder that Barack Obama has stacked his government with numerous members of the CFR? Among these are Robert Gates, Janet Napolitano, Timothy Geithner, and Tom Daschle. Other CFR members include CFR President Richard Haass, CFR Director Richard Holbrooke, and founding member of the Trilateral Commission and CFR member Paul Volcker. Obama even asked a CFR member, Rick Warren, to deliver the inaugural prayer..." [ & let's not forget Newt Gingrich-CFR, Hillary Clinton-CFR & others] [www.chuckbaldwinlive.com/c2009/cbarchive\\_20090127.html](http://www.chuckbaldwinlive.com/c2009/cbarchive_20090127.html)

## Obama

On Obama, please remember: God created Adam and Eve - we are all related - there is only one race - the human race. So, that's not the question here. If Obama was Constitutionally qualified to be President, we would recognize him. But, he was born in Kenya & then became a citizen of Indonesia as a child. We need to remember that Obama's grandma, in Kenya, says that she was at Obama's birth in Kenya. In addition to that, there were 8 high-level Kenyan officials at Obama's 'inauguration'. Doesn't that sound odd? Also, the news is keeping it a secret, but Obama is a covert Muslim. Both Kenya and Indonesia are known for their dominant Muslim populations. This explains why Obama just included Keith Ellison (CAIR rep. in Congress) in his cabinet. Also, Obama took the public oath of office on a Bible, but both he and Chief Justice Roberts flubbed the first oath, so they later redid the 'oath of office', without a Bible. Why?

## Aerosol crimes

Have you noticed that almost every day, over many locations, there are several jets at around 35,000 to 40,000 feet spraying some cloudy-white chemicals? Who is funding these jet/airplanes? Based on Cliff Carnicom's research, it appears the military contractors and pharmaceutical companies are working together to spray crowd-controlling or life-shortening components on the populations, all across the country. In just 5 years of these chemtrails, respiratory illnesses had gone from the #8 largest cause of death to the #3 largest cause of death. You can find his research in the free video below, as well as nutrition ideas that can help your body counter those health problems and toxins.

## 9-11 facts and unanswered questions

- ▶ "We built in enough redundancy to allow entire portions of floors to be removed without affecting the building's structural integrity, on the assumption that someone might need double-height floors" said Larry Silverstein, president of the company that owned WTC7 in 1989.

## More 9-11 facts and questions

- Do you question the official 9-11 story? So do these professionals: 170+ Senior Military, Intelligence Service, Law Enforcement, & Gov't Officials, 640+ Engineers & Architects, 180+ Pilots & Aviation Professionals, 370+ Professors, 82+ Medical professionals, 230+ survivors and family members, and 200+ artists, entertainers, & media professionals.
- Why, even after waiting 442 days just to get an investigation, did the 9/11 Commission fail to answer 70% of the questions the victims' families had?
- 'The Project For A New American Century', one of many neo-con think tanks, wrote a paper in September 2000, titled Rebuilding America's Defenses where they stated that their goals of total US Military dominance would take a long time to achieve, "*absent some catastrophic and cataclysmic event - like a new Pearl Harbor.*" One year later, neo-cons played out a false flag attack on NYC – the event needed to launch their plan.
- 6 weeks before 9-11-01, Larry Silverstein purchased a 99-year lease on the WTC complex & purchased a strange insurance policy specifying coverage against a terrorist attack.
- On September 10th, 2001 -Donald Rumsfeld announced that the Pentagon had 2.3 trillion dollars of undocumented adjuts, meaning the money is missing and unaccounted for.
- The accountants that had been tracking down the missing money happened to be in the section of the Pentagon that was destroyed, thus killing them & their investigation. Eye-witnesses report that they saw a helicopter fire a missile & then leave. Maybe that's why the FBI agents immediately confiscated all 80+ video-evidence around the Pentagon within moments of the attack & only released 5 grainy frames from a security camera.
- Rumsfeld also merged the individual states' National Guard into the US-run global police force. Plus the military has been working to buy off the states' and cities police forces.
- Construction Steel has an extremely high melting point of 2800°F, & those super-steel beams were insulated with asbestos. The NIST reported that the fires got to a max temp. of 1800°F for 15 min. Did you know that kerosene only burns at 551°F? But thermite/thermate burn at 4500°F, favorite tools of professional demolition experts, easily melted the super-steel. That explains the pool of molten steel under the towers for 2 weeks.
- What caused most of the 425,000 cubic yards of concrete to get pulverized into dust? Gravity cannot explain the degree to which the super-concrete was pulverized.
- After the controlled demolitions Americans gladly let the Federal gov't make big changes toward New World Order, one-world banking, & one-world currency, for false 'security'.
- No one should say that America can't fall. We must not forget the flood, 40 years in the wilderness punishment, that God left His Temple, and allowed it to be destroyed and scattered Israel, because of their rebellion and idolatry. But, the USA doesn't have to fall, like Britain or Germany, until after the rapture. God gave us a very unique US Constitution that we can hold on to, if we respect it enough to value and keep it.

## US & Israel Foreign Policy - links and cover-ups

- > What connection does Netanyahu have with the US 'Council on Foreign Relations'?
- > Is Obama good for Israel or will he demand Israel give up more land to the Arabs, for the US-Bechtel pipeline. Bechtel is planning to build an oil pipeline from Iraq, through Israel's Golan Heights, into Europe. Who is behind this project? Why are Jews dying because of it, and why has it been affecting decades of US foreign policies??

## Military Contracts

Many US Senators and House Reps. are making money from these military contracts and bailout agreements that are breaking our economy & dollar. Honorable Americans need to stop the military contracts, stimulus packages, review them, & oversee everything the government officials are doing. Including things like: the Patriot Act, Military Commissions Act, NSPD 51, 'Protect America Act of 2007', 'John Warner Defense Authorization Act', 'Homegrown Terrorism & Radicalization Act', plus the illegal executive orders. To find out more on these & the attempts to dismantle our Constitution, see: <http://truther.org/index.php?/2008060677/9/11/9/11-truth-for-dummies-flyers.html>

## 800 FEMA camps, spying cameras

Americans would be furious & outraged if they had any idea what those military contracts are building and financing inside our country, including: FEMA Detention camps\* - ready, with millions of body bags, & reportedly guillotines for those who refuse to be re-educated. 26,000 government trained pastors across the country to help citizens accept the New World Order and spy cameras everywhere, along the nation's roadways. ## Bush Legacy

≥ George W's campaign in 2000 received a large donation from the Enron energy and communications monopoly. Bush, with help from Marvin Bush, oversaw the demolition of Tower 7. WTC 7 contained numerous government offices, including CIA, FBI, FEMA, & some SEC commission offices. Many files exposing Enron & MCI WorldCom & many other corruption investigations were destroyed in the demolitions.  
≥ Bush spent most of his 2 terms keeping diplomats in Israel & hammering them to give up land God gave them, plus training the PLO (Abbas & his Al Fatah party) how to kill Israelis to get them out of Gaza, Amona, Gush Katif & the rest of Judea, Samaria, part of Jerusalem & the Golan Heights. Obama's team is vigorously continuing the same path.  
≥ Most Americans don't understand the partnership between the Bush family & extremely large Rothschild/Rockefeller empire. Americans need to file criminal complaints against Rockefeller criminals in any court that will hear them. In W's 8 yrs, Christian ministries found it harder to work in prisons & military, while Muslim influence has grown larger & more wide-spread. W's 'Homeland Security' policies have funded the building & security of mosques in the US, for their muslim Arab-oil partners, like the Saudis. W also wrote 1,100+ executive orders, to alter the Constitution.

- \*\*\* God's Word predicted the last days would be perilous times (1st Timothy 3:1-9). Despite scandals about criminals in government positions, for the most part, we citizens can trust the local police, because they live in our towns and have to protect their own families too. As you follow the trail to the top criminal leaders, "We the People" need to sort through each leader. We need to bless those who defend the 'Constitution for the United States', and put out those leaders who support One-World government or global money ideas. We need to start praying for God to protect America from big money criminals & turn off FAUX News, and all manufactured, 'mainstream' news entertainment. We should be concerned about Federal troops ready to enforce martial law and NWO.
