

Relax church-goers, everything is just... oh wait... maybe that's not a good idea...

If you watch a 501c3 "clergy" and expect him to tell you the truth... you will be very disappointed. He cannot tell you this list of things by his contract with the Rockefeller-brothers-fund who gives him an accreditation. **[The Rockefeller Brothers' Fund is the only 'accreditation' agency behind all of the accreditation agencies.]** This is crazy! I share this in hopes that it awakes more people and that they join the mass-exodus out of the 501c3 "churches" and to inspire them to start their own home-churches and home-Bible-studies.

It's against the Law if they Spoke Real Truth and lose everything they have and possible incarceration.

If anyone loves the world, the love of the Father is not in him. ¹⁶ For all that is in the world—the lust of the flesh, the lust of the eyes, and the pride of life—is not of the Father but is of the world. ¹⁷ And the world is passing away, and the lust of it; but he who does the will of God abides forever.” (1st John 2:15-17)

“²⁴ No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.” (Matthew 6:24)

Conclusion the guy made:

“The whole conclusion of showing this information is to inform the world and reveal the truth about the 501c3.

“We have been heavily deceived by the 501 c3 corporations masquerading as churches out there. I say dump your tax-free privilege, trust the Most High God Elohim, preach against transgressions unashamedly and do not hold back (proclaim the evils of baby-slaughtering, sodomy, politics, Socialism, corruption in gov’t, etc.)

“I am not the only IRS employee who’s wondered why churches go to the government and seek permission to be exempted from a tax they didn’t owe to begin with, and to seek a tax deductible status that they’ve always had anyway. Many of us have marveled at how church leaders want to be regulated and controlled by an agency of government that most Americans have prayed would just get out of their lives. Churches are in an amazingly unique position, but they don’t seem to know or appreciate the implications of what it would mean to be free of government control” - Nestor, IRS Senior Revenue Officer (ret)
