A visual map that attempts to show who funds and controls the Christian industries (an explanation of the first graph)

This is Graphic 2 of 2.

See graphic 1 for pictures and inter-connectivity map

Rothschild + Rockefellers have been ruthless in secretly controlling money & industries for over 150 yrs

Bush family has been partners w/ evil for almost 100 years, married into Rothschild/Rockefeller family, headed up the US side of funding Hitler's war

Walt Disney was agent (OSS) & CIA (run by Bush family) built disneyland using military contractors to create MKUltra tool & hub along w/ underground bunkers/tunnels

Ultra-secret society - Yale - runs & controls from the shadows

Jesuits are the Vatican's secret army with pledge to do much evil - see oath

The Vatican has been doing evil and blaming it on Christians for centuries

The Freemasons are devil-worshippers - secret society that has been around for centuries, & controls many things quietly

This Vatican control group works to connect religions and factions within 'Christianity' while pressing members to 'unite' on lesser and unbiblical definitions. The Vatican likes to use tools like this with a positive image - secret, yet destructive

This 'council' is not gov't, but an elite 'think-tank' of evil that pushes their ideology and NWO plans onto every gov't agency. They were in spying before the FCC was - (look 4 labels)

These organizations control the Baptist churches - they control who can and can't be pastors, & help cover-ups, and they decide 'agreed' upon doctrines. They have been infiltrated and controlled by masons for years. In 2003, over 90% of this team were masons

These are 3 prominent seminaries of various types in the 'reformed' circles. DTS has long known to be lukewarm with comfortable teaching that excuses sin - likely run by masons. RTS has been for years working w/ known false teachers & lying psychologists. RU is tied to a well-known false-prophet (Pat Robertson) & has helped the Bush family & other criminals to escape justice so far.

LU - for being a conservative university, it is shocking to see the high-volume of traps they spin out. False facts and false doctrine abound here. All 4 of these are accredited with the Rockefeller college/seminary accreditation board: ATS (Association of Theological Schools)

TBN has been long-identified as having many false prophets & blatant false teachers on their programming. They have, unfortunately, also had some respectable teachers on there. They ought to be called 'The Blasphemy Network'. FotF has pushed satanic psychology repackaged. CBN has a well-known false teacher/prophet leading it. All 3 of these organizations work to influence and control 'Christian' thought.

Thomas Nelson is a huge printing company that is making it harder to get honest & readable Bibles & translations here in the US. They are owned by HarperCollins who also prints the demonic 'satanic Bible' LifeWay's teachings are a mix of mythology and supposed 'theology'. Mason-directed.

Supposed 'Christian' groups along w/ Vatican

Religions that the rich and Vatican pretend have 'common ground' w/ the Bible

** All 4 of these control the 'Christian music' industry today @ the top **
