

Demonic Distractions – how many can you identify?

Hello there! Do you know what mythology is for? It's one of satan's tricks to lie about God and turn people from God to sin and to follow and serve (even in a small way) satan and his fellow fallen/rebellious angels.

The devil has worked for almost 6000 years to give gullible humans something to believe in, follow and worship, and distract from the real God in Heaven, and the topic of satan (chief demon and leader of the fallen angels/demons) fighting to murder God, steal God's Throne, take all that belongs to God and then rule and be worshipped as a "god".

These are some very deep topics, and not written for little kiddos – this is written for parents. Any child reading this must be with a God-fearing parent to explain these things to them. They are for mature adults and very hard to understand, and include even gross or base topics, that delve into some of the depths of satan's twisted plans for mankind.

Warning!

Parent, if you are reading this with a kiddo, **please stop** and read it by yourself or with your spouse (husband + wife). Then have your children read it with you when you are ready and prayed up and have prayed with them for protection. That is good Godly leadership. These are the lies satan wants to sneak into your child's heart and mind and try to warp his or her mind against God and the Bible and Jesus, through entertainment, books, comics, movies, trash-vender (TV), music, games, colleges, etc. When you are ready, use this and the Bible to help your kiddos work past satan's lies – they need your help.

Warning!

Kiddos, if you are reading this by yourself – **stop!** Now! Ask a Bible-loving parent or Bible-loving guardian to help you understand this. And if you read fiction, set it down until you are much older (15 to 20 years from now) – satan uses fiction to tell you lies about God that are hard to unlearn or refute, until you know more about the One True God who loves you and the Bible He gave to us. God loves you very much – give your life fully to Him, letting Him teach you through life-lessons how to turn from evil that will hurt you, and to what is true, pure, honest and holy that will heal and protect you. Okay? :)

Please read the following with much prayer and fear... these are some of the biggest traps on the planet, and some of the meanest of satan's attacks against God, humans, and the world.

➤ **Gods, Goddesses, demigods**

For millennia (thousands of years), the demons and the sin-chasing imaginations of men & women have always worked to invent other "gods" that never were, and never will be. They very often steal from God,

then counterfeit and twist at least one pure attribute of the All-Holy, All-Caring, and All-Powerful Judge and Creator of the Universe, God, as He explains Himself in the Bible. The list below is alphabetical, not in time order

Demonic mythologies are always also used to make sin look normal and make “good works” look like magic that can bribe the God/Judge of the Universe. Both are serious problems to any human soul.

*All of these contradict God, the Holy One in Heaven, and the God of Abraham, Isaac, and Jacob, also called the God of Israel (**Elohe Israel**)[btw, Hebrew is a lot of fun to study! Check out the English/Hebrew Interlinear at www.Scripture4all.org or on www.BlueLetterBible.org]*

Many of the above mythologies did abominable and disgusting things during their ceremonies, including actual child sacrifice and worse. Many of the top CEOs of USA corporations do the same things today, but they hide it... but God knows and so do some humans.

- **Bible Verses, Passages, or Books that teach on these topics**
Jeremiah 10; 1st Corinthians 10:14, 21; Romans 2:22; Acts 17:16; Acts 19:19-20

➤ **Royalty as “gods”, re-incarnation**

- Throughout history, satan has “inspired” those who rule people to think of themselves to be “gods” because they have become possessed by demons, or satan himself. These dumb humans, then want to be “worshipped” as though they are God Himself, or at very least a “less god”.
- **Bible Verses, Passages, or Books that teach on these topics**
Numbers 23:19; Ezekiel 28:2, 6-10; Romans 3:4

➤ **Nephilim, and other mystic creatures**

- Lying “Book of Enoch” (a forgery written by the Vatican) teaches about mystic rock-creatures that are supposedly demons, who murder people and re-gain favor with supposedly God. The Book of Enoch is 99% lies, pretending to “fill in” what the Bible supposedly “left out”.
- **Bible Verses, Passages, or Books that teach on these topics**
2nd Samuel 21:20; 1st Chronicles 20:6; Genesis 6, with Jude and 2nd Peter 2:4; See also Mark 5
- The “lost” city of Atlantis, the “fountain of youth”, the “philosopher’s stone”, and other mythological cities, satanic sites, and myths to blur the true history of the Garden of Eden
- **Bible Verses, Passages, or Books that teach on these topics**
Genesis 3:20-24; God flooded the world and re-arranged things, closing the door to the Garden of Eden forever... except for in-the-future for those who make a salvation covenant with Jesus, see Genesis 7,8,9; Revelation 21 and 22; See also Mark 5:15
- Other types of half demon/half-human creatures are discussed in the world’s mythologies, and in ancient pagan art, blamed on the people from the “stone age” ... but if you pay attention to the drawings from pagan cultures (in old and modern day “art”), you will often see half-human + half-animals abominable imaginary “creatures”, and especially now from the Vatican+Jesuit run Hollywood and Jesuit/Demonic Disney trash they pump out year after year.
- **Bible Verses, Passages, or Books that teach on these topics**
Leviticus 18 and 20

➤ **Giants, dwarves, gnomes, goblins, and trolls**

- All mythical creatures are a re-telling of the ancient actual offspring of demons raping or mating with gullible ladies before and shortly after the flood, but not after King David’s day (there were none around when Jesus put on a human body and walked among us). God locked all of these demons up at the flood and killed their demonic offspring off in the flood. A few more demons decided to try to do this again while the people of Israel were in Egypt, and then God used Joshua and the Jews/Israelites/Hebrews to put most of them to death, and used King David and his family and his men to finish removing them and their multiples of demon-driven sins off the earth, and God locked up those demons then too.
- **Bible Verses, Passages, or Books that teach on these topics**
Genesis 3:20-24; God flooded the world and re-arranged things, closing the door to the Garden of Eden forever... except for in-the-future for those who make a salvation covenant with Jesus, see Genesis 7,8,9; Revelation 21 and 22; See also Mark 5:15

- Norse mythology, and the more modern adaptation by an occultist JRR Tolkien, pretends that the center of the earth is not magma (extremely scalding hot lava), but chambers in which some sort of mystic creatures hide and have built cities in
- **Bible Verses, Passages, or Books that teach on these topics**
Matthew 12:40; Luke 16:14-31; Leviticus 17; Deuteronomy 32:17
- If you dig deeper into the demonic psychology of these creature/images, you will eventually notice that it's very racially-based... not Biblically speaking, but pagan human-speaking. Biblically speaking, there is only 1 race, the human one, and the rest is shades of melanin – all of us being descendants of Noah and his 3 sons, and ultimately Adam and Eve. The lies of “evolution” is just one more mythology to blur truth and honest history.
- **Bible Verses, Passages, or Books that teach on these topics**
Genesis 1 – 12; See Jude and 2nd Peter for God's commentary on this issue; See also Genesis 6, 14 and 15; Deuteronomy 2:11; Deuteronomy 3:1; 1 Samuel 17; 2 Samuel 21:16; 1st Chronicles 20:8

➤ Fairies, elf/elves, demons

- Many mythologies pretend that spirit beings are neither “good” nor “bad”, but rather some of both good and bad, and/or innocent creatures who have power that they don't understand, but they are mostly “benevolent creatures”. But God's Word makes it very clear, and some have had to learn it the hard way, satan and his fallen angels are everything but benevolent, they just work to trick gullible humans into letting demons use them to work towards satan's one-world rulership schemes, and murdering God (if he could) or oppose whatever God is doing.
- **Bible Verses, Passages, or Books that teach on these topics**
Job 38:1-10; Isaiah 14:12-17; Ezekiel 28:12-19; Luke 10:18; Revelation 13

➤ Dragons, Dinosaurs, and Monsters

- When God created everything good, perfect and pure, there was no sin yet, for the chief of the new set of angels had not chosen to become proud and sell himself to do evil. yet. But sometime after the creation and 7th day, satan became proud, wanted to murder God and steal His Throne and said the 7 “I Will” statements found in Isaiah 14 and Ezekiel 28. And it was when iniquity was found in satan's heart and after he had turned 1/3 of his fellow angels to turn against God in his mutiny, that God cast him out of Heaven as an unclean thing. God did not make satan choose evil, nor did He stop him, but when satan had sold himself to do evil and had determined in his heart and his secret whispers to do evil, that was when God throw satan and his fellow traitor-demons out of Heaven with very limited access.
- **Bible Verses, Passages, or Books that teach on these topics**
Jesus describes this in Luke 10:18; Job 38:1-10; Isaiah 14:12-17; Ezekiel 28:12-19; Luke 10:18; Revelation 13
- The old stories about dragons (and now dinosaurs) are many times myths, but sometimes true. But, the modern myths, legends, and stories of dragons are an attempt at stealing what God made and what started to rapidly become extinct after the flood, and turning into a fully occultic/witchcraft symbology and mythology that never was
- **Bible Verses, Passages, or Books that teach on these topics**
See the Book of Job for real “dragons”. Also, if you look for it, you will see references in Genesis to large creatures including dragons, before the flood, and in Exodus the serpent/dragon that God turned Moses' staff into that ate the small snakes that the Egyptian wizard's staffs turned into.

➤ Aliens, Evolution, Artificial intelligence

- Once upon a time, before the earth exist... (tire screech). Wait, what? Yes, that is what the story behind aliens is. If you try to do research on it, you will find all kinds of disinfo on it, even from lying religious points of view – for instance, the Roman Catholic mythologies, and even Freemasonry-started Mormonism. You will even hear these lies from the Vatican+Jesuit led Hollywood, even in modern trash films such as “Transformers” or “Independence Day”, or

“Home”, etc... You will even hear these lies in super-hero mythologies in film or comics. So, what’s the point? There are a couple of simple points.

- First of all, there are no “aliens” as the stories pretend. The only invaders from outer-space are demons, angels who chose to rebel against God and were kicked out of Heaven, called “fallen angels”. Also, the sightings where people see “aliens” they are perverse invasive creatures and they smell like sulfur... yes again, demons. And the only people who actually get visited by demons, are those into the occult. Very similar to those who get visited by “ghosts” or “old relatives” or “familiar spirits”... occultic. Don’t open the doors to satan, don’t get the visits – it’s as simple as that, but sometimes it takes work to cleanse a home and heart and give it to God for salvation and protection.
- Secondly, satan and his fellow fallen angels use “aliens” as a ready-to-go blind-no-facts explanation to help everyone rally around the antichrist, after God wraps up the “church age”
- And thirdly, satan will also use the lies and superstitions about “aliens” to rally everyone to fight Jesus’ return – “Superman” and “Avengers” makes that one very, very plain.
- **Bible Verses, Passages, or Books that teach on these topics**
Daniel 9:25-27; Romans 8:18-27; 1st Thessalonians 4; 2nd Thessalonians 2:7; Revelation 2, 3; Revelation 6-19; [See the section below on witches, mediums, etc for more verses]
- **What about evolution?** That is a fun topic, because the deeper you study in any direction and do any sort of honest analysis or honest experiments, you find that all of the “theories” of evolution. So many things disprove the lies and mythologies of evolution. Everything from “irreducible complexity” to creatures that don’t fit any “evolutionary timeframe” or progression, to the fact that the “scientists” and their so-called atom-smashers... and they find nothing is holding it atoms together and therefore all things are held by “nothing”?... to the fact that despite satan’s inspiration to try to outwit the boundaries on “producing after their kind”, they can’t... that’s a God-established and God-maintained boundary. Even the few “clones” they have don’t live long or well – it’s reverse evolution, reverse mutation that also disprove all of their so-called “theories” which need to be called out as lies.
- **Bible Verses, Passages, or Books that teach on these topics**
Genesis 1-3; Matthew 19:4; John 1:1-14; Colossians 1:15-17;

➤ **Superheroes, dimensions, paranormal, mutants**

- As we already mentioned above, superheroes are lies used to rally people around demon-inspired men and women to ultimately gear up and convince all gullible humans to fight against their own Creator, and that will happen quite literally at the end of the literal 7-year Tribulation, but God is holy and pure and kind and just, and will not be defeated by humans wishing to do evil and murder God for the “right” to do it and get away with it. “Superman” and “Avengers” actually depict the “heroes” leading a war against an “invasion of aliens”, which if you know the Bible, that is Jesus’ return with His pure saints, which Jesus does the executing alone
- **Bible Verses, Passages, or Books that teach on these topics**
John 8:44; John 10:10; Revelation 17:14, 9:11-21; Revelation 20:7

➤ **Ghosts, undead, haunting spirits, superstitions, ghouls, talking to the dead, and zombies**

- If you read the previous sections above and any of the accompanying verses, you already know this – ghosts and “undead” things don’t exist, except in the imaginations of satan and fallen angels, and the humans gullible enough to join satan in his rebellion against God. All of the CGI in the world cannot make something that does not exist, to exist – only to help your imagination be deceived to think it is real, when it is not and never will be. God did not create the things that satan’s evil imaginations pretend, and satan can’t create, because he is just an angel who was not nearly as powerful as he pretends (though still stronger than humans), and neither satan nor any of his fallen angels or human helpers can create anything at all – they are not “gods”, not even “little gods” as false teachers such as Joyce Meyers and Joel Osteen pretend.
- **Bible Verses, Passages, or Books that teach on these topics**

- *Genesis 1 – 12; See Jude and 2nd Peter for God's commentary on this issue; See also Genesis 6, 14 and 15; Deuteronomy 2:11; Deuteronomy 3:1; 1 Samuel 17; 2 Samuel 21:16; 1st Chronicles 20:8*
- **Crystals**
 - This is another style of the same repeating old attack of the devil... “crystals contain magic” or “power” ... so they say, but it's not true. Old mythologies like those of “Atlantis” push this one loudly, but so does simple sorcery or occultism. But the truth is that deceptive demonic power cannot attach to any inanimate object unless there is a demon actually with it. And to be spiritually attacked, the person has their spiritual doors wide open for demonic influence and attack. No amount of herbs or “charms” or any other “spirit catchers” or “spirit chasers” can chase demons away from a soul who is interested in demonic power and infestation. If the heart desires evil and is trying to find a way to invite demons into his or her world, guess what? They are inviting demons into their world. But God. God is stronger than the devil, and the only reason God hasn't locked up the devil yet is 1) God is gracious and is calling humans to repent and follow Him, and 2) satan and his demons and human helpers have not filled up their list of evil deeds and God's wrath against them (yet).
 - So, a rock, even if it's pretty, is still just a rock... unless the person wants to use that rock to try to sell their soul to demons for “power” or witchcraft.
 - If you have a covenant relationship with God through Jesus' cross, then you can pray for those who are interested in satan's so-called “powers” and ask God to allow consequences and other painful alarming things to chase them out of satan's cruel arms back to Jesus. As long as the person is breathing and that they have not done years' worth of satanic oaths, they can repent. Watch their fruit and you will know if God is working in them, or has walked away from them. And, I must also note here, that many so-called pastors, evangelists, prophets, and all false-apostles are living apostate, twisting anything and everything away from God and toward the love of sin, the world and the empty trinkets and sin-pleasures of this world. You will know them by their fruits. Judge them righteously and pray, and you will protect yourself and those you love.
 - **Bible Verses, Passages, or Books that teach on these topics**
Philippians 3:18; 1st Timothy 3, 4; 2nd Timothy 3, 4; Matthew 7:1-14; Jude; 2nd Peter; 1st John; James
- **Sorcerers, witches, sooth-sayers, witch doctors, Shamans, druids, sorcery, occult**
 - These are the worst enemies of humans, for they form soul-bonds and dark and evil covenants through satanic rituals and human and animal sacrifices, even baby sacrifices (and drinking blood, blood oaths, etc), pledging their allegiance to satan and asking for his “wisdom, blessing, and power”. Many of the worst child predators and USA corporation CEOs do these wicked things in secret. They need to be caught. Please join us in praying for it!
 - The topic of “magician” is similar – many are just sleight of hand, faster than your eye can catch... but some are relying on demonic help, to fool and even allure the person deeper into satan's “magic”
 - **Examples in USA of demons pushing lies magic:** Ouija Boards, Tarot Cards, Occult Books, **“Dungeons and Dragon”** books/games, **Harry Potter** (and other JK Rowling novels), **Artemis Fowl**, **Lord of the Rings**, **How to Train Your Dragon**, **Sorcerer's Apprentice**, **Witches of Waverly Place**, **The Adventures of Percy Jackson** (and other **Rick Riordan** novels), **Magic Cards**, and many other witchcraft based games, cards, movies, novels, TV shows, etc. Even the **exorcism** and **witch-hunting** lies are incredibly dishonest to actual history, and the repeated deceptive stories can be easily proven to be secretly written by the Roman Catholics or their Jesuits to rewrite history to try to blame honest Christ-followers or the Jews or other innocent people for the crimes of Rome and the Vatican, including sorcery and their many mythologies.
 - Anything based on crystals, magic and sorcery, secrets in the heart of the earth, secrets of Egypt or the pyramids, secrets of the dead, horror films, paranormal activity, and even super-hero mythology, are used by satan to get humans to open doors to demonic activity in the person's life

(demons especially aim at children), releasing havoc in the person's home and life like only the demons and their temptations can do.

- To protect the little ones and older ones you love, warn against anything with "magic items" "magic tools" or "magic weapons" or "magic protection amulets" (like "lucky rabbit's feet" or "dream-catchers"), some sort of sooth-saying "chant", anything that directly calls God into question offering a "new source of power", as well as overt things that push/promote sexual sins, dragons, crystals, the undead, any mythology creature, aliens or ghosts.
- **Verses that teach on these topics**
Leviticus 19 and 20; Deuteronomy 18; 1st Samuel 28; 2nd Kings 21, 23; 2nd Kings 33; Isaiah 8 and 19; Jeremiah 27:9; Daniel 1:20; Daniel 4:7; Proverbs 16:2; 1st Peter 3; 1st John 4

➤ **How do we grow in cleansing our life, souls, and homes, and to then teach our families?**

That is the best question you could ever ask. We here at S&R ministries have been studying and teaching these things for almost 20 years. We have, by God's grace, written quite a few Bible studies on many topics. And the best part is they are all free, all you have to do is ask and we will be delighted to send them to you (typically in PDF or web-link format), as quickly as time and life allow. Please don't hesitate to ask for prayer, or Biblical advice and wisdom. We will try to help to the best of our ability.

** S&R ministries stands for "Sowing and Reaping", and it includes the free ministry tools and resources found on our ministry pages, including "Snapshots of a Disciples" (Bible studies), "Snapshot Designs" (Biblical designs), FEDBP = Foundations for Evangelism, Discipleship and Biblical Preaching (deeper Bible studies on tougher subjects), Fishing Stories (evangelism stories, some new and old from our active efforts to share the gospel wherever we go and to encourage others to do the same), INCPU = International News and Christian Prayer Update, where we talk about history and modern events from a Biblical worldview, and our newest project – RestoreMBI, exposing the plot of Rome to conquer the world through infiltration of their agents, the Jesuits, of which they are actively ruining honest news, countries, corporations, government and colleges, and have been doing so since 1540s AD.
