Genesis 1:1-31 gives us details of how God Created the earth and all of creation in 6 days. Those verses tell what God did each day. At the end of day six God gave His report "Then God saw everything that He had made, and indeed it was very good." Holy God who is so brilliant that He knows everything said the creation was "very good" Some Gentiles are confused by the lies of unsaved scientists, they reject God and teach evolution. Those atheists try to say those days were millions of years long. No, the Hebrew word in Genesis is 'yom' that word is defined as one day. But there is another place where God said He created the world in 6 days. God wrote the 10 Commandments with His finger, God burned the 10 Commandments into the 2 stone tablets. Those words are found in Exodus 20:1-17. In verse 20:1 God said "For in six days the Lord made the heavens and the earth, the sea, and all that is in them..." There is no way to miss that God made the world in 6 days. But atheists hate those words because it tells them that God is all powerful, and God is powerful enough to judge them at the end of their life.

So their next step for an atheist is to pretend that there is no God. But there are so many things on earth that prove that God is all powerful. Every time they make a new and stronger atom smasher to find what hold atoms together they go into another panic. They were wishing that there is dark matter inside each atom and molecule that holds those things together. Their atom smashers have proved there is no dark matter inside atoms and molecules. The electrons fly rapidly around each atom and there is nothing that holds them together. Yes there is, Colossians 1:16-17 says Jesus is Creator "For by Him all things were created that are in Heaven and that are on earth..." There are other verses that prove the Father and the Holy Spirit also worked together for creation. And Genesis 1:26 says "Then God said, 'Let us make man in Our image, according to Our likeness..." Colossians 1:17 says Jesus holds everything together "In Him all things consist and have their being." That is one thing that proves evolution wrong. But there are so many more things; DNA hold an incredible amount of information, and each DNA is able to duplicate itself. The seeds in plants are the same, they hold all of the information of life from their plant. Babies are the same thing; everything about their body is included inside each baby. The gift of life its self is proof that God created life. Scientists can tell what proteins are in different things, but they can not make life. They can alter most living things, but they can't create life. Not even the angels can give life. Angels are not God, they are spiritual being best described as spiritual wind and spiritual fire with a personality.

There are many more things that prove the existence of God. The conscience is a good example, it works inside out brain and tells us when we do something wrong. Fulfilled Bible prophecies are solid proof too. Only God can tell the future, we know demons try to guess it, and they make many mistakes. If you don't believe this, then

you write down your own predictions that will happen ten years from now. If you are foolish enough to try this experiment, then please also be foolish enough to write down all of the details. That way ten years from now you can prove that only God can predict the future. Another proof of God is the damage all over the world from the world wide flood from Noah's time. The Grand Canyon is a perfect example; during the flood God raised up mountains, that also made low areas like deeper oceans for the water to drain off. The Grand Canyon was made in several days as the water drained off and carved a deep path in the mud that has since hardened to become stone. There are many more proofs that God made this earth about 6,000 years ago. For example the earth's magnetic core getting weaker every year. If the earth was 1,000,000 years old we wouldn't have a magnetic core. The sun is burning off its own self to make light and heat, every year it is smaller. If you calculate how much bigger the sun would be 100,000 years ago, you know the sun would have burned and killed all life on earth. The earth can't be millions of years old. The moon is drifting farther from the earth each year. If you calculate that distance back 1,000,000 years it would fall onto the earth by gravitational forces. Or if you add 1,000,000 years or 1,000,000,000 years we wouldn't have a moon. But God made the moon and put it there. The earth rotates at a perfect speed but it is slowing down more each year, if the earth were 1,000,000 years old it wouldn't be spinning.

When God created the earth and man, God also created millions of angels to watch over and protect the earth. They were amazed with the beauty of creation Job 38:7 "When the morning stars sang together, and all the sons of God shouted for joy" In Isaiah 14 God condemned an evil king, then condemns the evil deeds of Lucifer in Isaiah 14:12-16 and Ezekiel 28:11-19; "You were the seal of perfection, full of wisdom and perfect in beauty. You were in Eden, the garden of God; every precious stone was your covering: The sardius, topaz, and diamond, beryl, onyx, and jasper, sapphire, turquoise, and emerald with gold." And Lucifer's body had musical instruments built in; "The workmanship of your timbrels and pipes was prepared for you on the day you were created... You were on the holy mountain of God; you walked back and forth in the midst of fiery stones. You were perfect in your ways from the day you were created, till iniquity was found in you." While working his assignments Lucifer became jealous and decided to become evil and wanted to kill God; "By the abundance of your reporting you became filled with violence within, and you sinned; therefore I cast you out as a profane thing, out of the mountain of God. And I destroyed you, O guardian cherub from the midst of the fiery stones. Your heart was lifted up because of your beauty; you corrupted your wisdom for the sake of your beauty and splendor; I cast you to the ground..." Jesus described the fire that scorched Satan in Luke 10:18 "I saw Satan fall like lightning from Heaven" That explains why devil worshipers draw the devil's pictures that he looks scorched.

The verses in Ezekiel 28:11-19 also explain why sinful music and sinful entertainment are so appealing. God gave the devil the talent for music, but because he became evil he uses his skills to entice humans to sin. The devil was the highest ranking angel among the new angels, he is a cherub, his assignment was to protect the earth and assist the humans to know how to worship God; "O guardian cherub". Instead he became jealous and wanted the humans to worship him. The devil sold his soul to get the world to worship him. The devil will get what he sold his soul for but he will not get what he wanted. Later in this report we look briefly at the Book of Revelation.

Then Isaiah 14:12-19 describes more stupid things that Satan did with his 5 part boast, he wanted to rule over the older angels in Heaven, many of them are more powerful than the devil; "How you are fallen from Heaven, O Lucifer, son of the first morning... For you have said in your heart: I will ascend into Heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation on the farthest sides of the north; I will ascend above the heights of the clouds, I will be like the Most High God. Yet you shall be brought down to Sheol, to the lowest depths of the Pit." God promised back then that God will punish the devil. That starts in Revelation 12:7-9 when the devil is totally blocked out of Heaven for the last time. And the imprisonment and punishment of the devil starts in Revelation 20:1-10 "Then I saw an angel coming down from Heaven, having the key to the bottomless Pit and a great chain in his hand. He laid hold of the dragon, that serpent of old, who is the devil and Satan, and bound him... The devil... was cast into the Lake of Fire and brimstone where the anti-

Christ and his false prophet are. And they will be tormented day and night forever and ever.” That angel that will lock up the devil is stronger than the devil, but there are more than 27 angels who are stronger than the devil, we study that later in this report.

When God created the heavens and earth He had two options; (1) make all of the new angels and humans to be robots that can't think for themselves, like preprogrammed robots that will automatically do what they are told, so they can't think about doing something wrong. But the problem is they will never be able to love God. We know God loves people because Jesus totally proved it. And we know God's personality is “love, joy peace, patience, kindness, goodness, faithfulness, gentleness and self-control” Galatians 5:22-23. OR (2) The reason God wanted to create the world with more angels and humans is God wanted a bigger family. The only real choice was to make the new angels and humans with a will and conscience. They had the option to become evil. Not very long after creation, Lucifer convinced 1/3 of the angels to become evil as described in Revelation 12:4. God will have to judge and punish all of the angels and humans who become sinners. The angels that became evil knew what they were doing,, but the humans were innocent and untaught. The humans can be saved by Jesus paying for their sins, but only the humans that get saved are those who make a salvation covenant with Jesus. That explains why there is evil in the world; God had to let angels and humans make choices. God will punish everyone who does evil, if they don't get saved. God must judge and punish every sin that fallen angels and humans do or He becomes an accomplice. God has direct responsibility as Creator to punish every sin, or become guilty as an accomplice to the sins of His creation. Most people don't realize there is an eternal standard of good and evil. That standard is self evident of what is righteous and what is evil. And most people don't realize how much God had to stretch Himself to allow humans to have a free will. God has given you a choice, everyone of you who read this. You can give your life to Jesus and let Him teach you what is right and wrong, and use you to reach others for Heaven. You also can choose to reject the mercies of Jesus and pay for your own sins in the Lake of Fire forever.

The Book of Revelation describes in detail how God will destroy the devil's rebellion and take the world back. The final judgment of fallen angels and unsaved humans is described in Revelation 20:1-10 & 11-15 We looked briefly at the judgment of fallen angel's. Most people don't realize that holy angels are recording every sin that humans commit. Every sin is a spiritual crime against eternal righteousness and must be punished. Those sins are written in the books described in Revelation 20:1-15. “Then I saw a great white throne and God who sat on it... And I saw the dead, small and great, standing before God, and the books were opened... And the dead were judged according to their works, by the things written in the books... And another book was opened, which is the Book of Life... And anyone not found written in the Book of Life was cast into the Lake of Fire.” Most people don't realize that God will also be judged back by the humans He must punish in the Lake of Fire. That judging is predicted in Romans 3:4 “That You may be justified in Your judgments, and may overcome when You are judged.” The rebels will try to judge God, but God will be proven holy and righteous. There is an eternal standard of righteous, our God is Holy, Holy, Holy. Most Church people know the evil temple leaders were trying to destroy Jesus. They wanted the Roman govt to kill Jesus, but they needed to accuse Jesus of a crime against the Roman govt, or least be able to say Jesus did something wrong, but they couldn't find anything wrong; “the chief priests, the elders, and the council sought false testimony against Jesus to put Him to death, but found none. Even though many false witnesses came forward, they found none...” Matthew 26:59-60. Jesus had to be perfect to be the perfect payment for our sins.

The devil tells his worshipers that he is the greatest angel but that isn't true, the devil is a cherub, the highest ranking angel of the new angels, and he is the highest angel that decided to become evil, as we already studied. The devil thought if he could get the humans to sin they would all automatically worship him. No, he got them to sin, but all humans became selfish, self centered egotists, that live for their desires and wants. Jesus called the devil a liar in John 8:44; “When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it.” The devil sold his soul to be worshiped as god, he will get that worship for 7 years called the “tribulation” During that 7 years millions of people get saved, and the devil will kill 25% of the worlds population Rev. 6:1-11,

but that is OK because those saints will be in Heaven watching God destroy the devil's kingdom. Heaven will be filled with great celebrations and loud excitement starting in Revelation 4:8, The angels who are closest to God are constantly saying God is "holy, holy, holy" The 24 great Christian leaders will give God their crowns and say "You are worthy O Lord, to receive glory and honor and ; for You created all things and by Your will they were created." They are in the best place to see all of God's goodness and they declare God's goodness.

Then Revelation 7:9-12 describes a great multitude, too many to count. They get saved during the 7 year tribulation and the devil kills them They will have palm branches in their hands, and crying out with a loud voice to proclaim God's goodness saying "Salvation comes from our God who sits on the throne, and the Lamb of God. Right then all of the angels will join in the celebration saying "Amen.! Blessing and glory and wisdom, thanksgiving and honor and power and might belong to our God forever and ever. Amen." In case you missed it, that will be millions of angels and millions of humans proclaiming with all of their strength about how good God is, and how happy they were saved to live in Heaven with God forever. Another great celebration is in Revelation 11:17-18 when God is mostly finished taking the world back from the devil "with loud voices in Heaven saying, 'The kingdoms of this world have become the kingdom of our Lord and His Christ, and Jesus shall reign forever and ever.'" Then the great saints will worship God again saying "We give You thanks, O Lord God Almighty ... Because You have taken Your great power and reigned..." Another great celebration is in Revelation 14:2-4 after Jesus and the 144,000 Jews finish preaching the gospel around the world. Their celebration with loud voices in Heaven as loud as thunder, with the music of harps and they sang a new song before God. Another celebration in Revelation 15:2-4 just before God finished destroying the devil's world govt and religion "having the harps of God. They sing the song of Moses... and the song of the Lamb saying 'Great and marvelous are Your works, Lord God Almighty.! Just and true are Your ways, O King of the saints.! Who shall not fear You, O Lord, and glorify Your name? For You alone are holy. For all nations shall come and worship You, for Your judgments have been proven.'" Another celebration in Revelation 19:1-8 after all of the judgments against the devil "I heard a loud celebration of a great multitude in Heaven, saying Alleluia.! Salvation and glory and honor and power belong to our God.! For true and righteous are His judgments... And I heard ... the voice of a great multitude, as loud as many waters and as loud as many thunderings, saying, "Alleluia.! For the Lord God Omnipotent reigns.! Let us be glad and rejoice and give Him glory..."

Holy God is everywhere and God holds everything together as described in Colossians 1:16-17, but the devil is only a fallen angel, he can't hold molecules together, and he can only be in one place at a time, so the devil needs all of the spy technology from cell phones and satellites to spy on everyone, so his team can see everywhere and listen to everything important. The meteor shower in Revelation 6:12-17 will damage his communications including satellite TV propaganda messages. Also with the meteor shower will block the sun so everything gets very cold. The earthquakes will damage power lines and water lines and phone lines. And everyone will see God's face is angry at them. From there God keeps destroying more and more of the devil's systems.

Another important topic is there are many angels more powerful than the devil. After the seal judgments and the 7 angels that deliver them, including the great meteor shower in Revelation 6:12-17, there are 4 angels in Rev. 7:1-4 that will keep destroying things with strong winds. The devil will want to stop them from damaging his recovery with great winds, but he can't stop them. Another great angel in Rev. 7:2 has God's official seal to protect the 144,000 Jewish men. In Rev. 8:1-9:21 there are 7 angels with trumpet judgments the devil can't stop them either. And including another angel the devil can't stop from announcing "woe, woe, woe". Another mighty angel in Rev.10:1 claiming the earth belongs to God the Creator. And Rev. 10 has 7 angels with thunder judgments the devil can't stop. Then 3 angels in Rev. 14 announcing more evil things God destroyed. Then 7 angels in Rev. 16 deliver the bowl judgments. And the angel in Rev.20:1-3 with a great chain to lock up the devil. I count about 36 angels that are stronger than the devil.

God's Word tell us that everyone has sinned in Romans 3:23 "For all have sinned and fallen short of the glory of God." And Romans 6:23 tells us that each of our sins have earned God's punishment "For the wages of sin is eternal death, but the gift of God is eternal life through Jesus Christ, if He is your Lord." John 3:16 tells us that "For God so loved the world that He sent His only begotten Son, that whoever believes in Him will not perish but have eternal life." Romans 5:8 "God demonstrates His own love toward us, in that while we were still sinners, Christ died for us. There is a great invitation in Romans 10:9-13 If you confess publicly with your mouth that Jesus is your Lord, and you believe in your heart that after Jesus paid for sins, that Father God raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with your mouth is a promise of the salvation covenant to Jesus unto salvation. If you want Jesus to save your soul from the eternal Lake of Fire you need a salvation covenant with Him. You need His forgiveness, and you make a promise to quit living for sin and shame. A public baptism is a public announcement that you made a salvation covenant with Jesus, and quit living for sins as Romans 6 explains.
