Numbers of Arab prisoners Israel has released and the dates (*collected up to November 30th, 2008*) From the info I have been able to find, the number is higher than the 7,000 estimate some say online. From my calculations, the criminal Israeli leadership (under pressure from 'Elites' in our country) have released **9,471** Arab prisoners since 1983. Below are the individual numbers I could find with links so you can see it for yourself.

In November 1983 - **4,600**
