bio-terrorism**

WARNING! DANGER!

**Forced
vaccination
= 
bio-terrorism**

The "vaccines" for "Covid" are a poison potion of deadly toxins that are meant to harm or kill each person who takes them, "slow kill". Many Americans already know that "vaccines" are deadly or harmful, so the high-majority of Americans refuse to get them. Many people also know how to find God's cures in His creation.

1) "Vaccines" made to "stop Covid" won't work. In March 2020, there were 31 strains of Covid & 200+ mutations. Vax-companies don't honestly test & pretend you can't charge them w/murder. Vaccine = murder weapon. Refuse it. Reject it. Warn others.

2) Americans reached "herd immunity" many months ago. The common citizens also caught the CDC lying numbers many months ago. The only symptoms going around right now are from those getting the "flu shots" & those who have allergies to pollen, or who eat processed sugar, shutting down their immune systems.

3) Many doctors & nurses refuse to get "vaccines" & refuse to let their children get "vaccines", because they know what's in them.

Do you know what's in your vaccine? Ask *before* you get one!

4) Our bodies are highly allergic to all the petro-toxins in these "vaccines". **Ingredients like:** aluminum, aluminum sulfate, latex rubber, formaldehyde, mercury/thimerosal, beta-propiolactone (cancer agent/organ poison), polysorbate 80 (cancer agent), tributylphosphate (kidney/nerve toxin), glutaraldehyde (sterilization chemical), neomycin sulfate (stops vitamin B absorption), phenol/phenoxethanol (antifreeze), gentamicin sulfate & polymyxin B (cause massive allergies), mono-sodium glutamate (MSG), genetically modified yeast, animal + viral + bacterial DNA, human + animals cells, live/dead viruses, plus known added viruses.

5) 3rd Pres. Debate: Trump & Biden said they would use military to force vaccines on the public. NY Rockefellers tried forced-vax 100 yrs ago & the people rejected it: 1919. The citizens won then, and we need to win again. **No to DNA tracking! No to military attack!**

No forced vax! Want proof? Email us! Or do your own research!
